Selectmen with retiring Veterans Services secretary Paula Butterfield

## **Report of the BOARD OF SELECTMEN**

The Board of Selectmen is pleased to offer our Annual Report to the residents of Marion for the calendar year of 2016.

In January, Selectman Jonathan Henry announced that he would not be running for reelection. Mr. Henry's first term as selectman was in 2004, and we thank him for the energy and expertise he provided to the Town of Marion during his years of dedicated service.

At the Annual Town Election Stephen C. Gonsalves was elected to a three-year term on the Board. We congratulate Mr. Gonsalves on his election and look forward to continuing our work together on the many important issues facing the Marion community.

In addition to working closely with department heads in the day to day operations of the Town, the Board of Selectmen directs its efforts toward a variety of important issues, a few of which are listed below.

### ***NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES) DRAFT PERMIT***

In late 2014 United State Environmental Protection Agency (EPA) issued the Town's draft NPDES permit. Soon after, we began working with our consulting engineers, CDM Smith, on the appeal to some of the more significant mandates. In mid-December, 2016 we received notice that the EPA will move forward with the issuance of the NPDES permit. We have requested assistance from Representative Keating's office in working with the EPA and hope to reach a mutually agreeable resolution of this issue.

### ***BENJAMIN D. CUSHING SENIOR/COMMUNITY/RECREATION CENTER***

On April 23, 2016 the members of the Veterans of Foreign Wars Benjamin D. Cushing Post #2425 voted to transfer to the Town of Marion, free of any encumbrances, the property located at 465 Mill Street. At the Special Town Meeting of October 24, 2016 it was voted to accept the donation, and on December 7, 2016 the property was transferred to the Town of Marion.

At a meeting on December 20, 2016 it was agreed, in accordance with the wishes of the Post members, that the building on the site would be used to serve the residents as a senior center, community center, and recreation center.

Use of the property as a campus-style municipal complex that would include Town offices, senior center, community center, and recreation center is under consideration as well.

We accepted this generous donation with mixed emotions as it reflects the end of an organization that has been such a part of and given so much to our community. On behalf of the Town of Marion we thank the Post and its members for all they have done throughout the years.

### ***MARION TOWN HOUSE***

As we requested in December, 2015, the Town House Building Committee has continued to work on a smaller scale project limited to the Town House. The donation of the VFW property initiated discussions within the community regarding the construction of a new Town offices building at that site. We will continue to consider all suggestions and options.

### ***STAFF***

Associate Assessor Patricia DeCosta retired this year, we wish her a happy and healthy retirement.

### ***ELECTRIC VEHICLES***

In 2015, after discussion with members of the Energy Management Committee, we voted to pursue a grant opportunity that would provide funds for electric vehicles to be used by municipal employees. Funds for the installation of charging stations were provided by the grant as well. As a result of the grant and bid process, the Town of Marion currently has electric vehicles used by the Recreation Department, Building Department, and the Department of Public Works. Charging stations are located at the Town House, Water/Sewer Treatment Plant, and the Atlantis Drive facility and are available to the public during regular business hours.

### ***CONCLUSION***

The Selectmen are dedicated to providing efficient, cost effective services to our residents. We thank the employees, elected officials, and appointed volunteers for their hard work and also thank the caring and concerned residents of the Town of Marion for their support in making Marion such a wonderful community.

Respectfully submitted,

Jonathan E. Dickerson, Chairman

# **Report of the BOARD OF ASSESSORS**

To the Honorable Board of Selectmen:

As mandated by State Law, the major responsibilities of the Board in Fiscal Year 2016 were to manage the valuation and assessment of all real and personal property for *ad valorem* tax purposes, to set the tax rate, act upon applications for abatements, place value on new construction, and commit motor vehicle and boat excise taxes.

A single tax rate for all classes of property was set at \$11.31 per \$1,000 of valuation.

The following information is a recapitulation of the Town's assessment and tax levies for Fiscal Year 2016:

<i><u>Class of Property</u></i>	<i><u>Valuation by Class</u></i>	<i><u>Percent of Total Levy</u></i>	<i><u>Tax Levy by Class</u></i>
Residential	\$1,391,362,275	92.41	\$15,736,307.33
Commercial	69,060,325	4.59	781,072.28
Industrial	16,165,400	1.07	182,830.67
Personal	<u>29,028,050</u>	<u>1.93</u>	<u>328,307.25</u>
Totals	\$1,505,616,050	100.00	\$17,028,517.53

The following is the tax rate summary for Fiscal Year 2016:

Funds from estimated receipts and other fund sources	\$11,292,602.00
Funds to be raised by tax levy	<u>17,028,517.53</u>
Total Amount to be raised	\$28,321,119.53

Property exempt from taxation had a total value of \$169,293,100. The tax value of new construction was \$145,947. The Board committed \$819,840.95 in motor vehicle excise taxes. Excise taxes on boats habitually moored in Marion were \$79,559.00. The commitment for the Community Preservation Fund was \$273,580.98.

A summary of abatements and statutory exemptions that were granted for Fiscal Year 2016 are:

Abatements	\$ 11,386.49
Senior Work-Off Program	8,637.12
Statutory Exemptions	<u>62,300.52</u>
Total	\$ 82,324.13

On July 1 Associate Assessor Patricia A. DeCosta, M.A.A., retired after working in our office for 16 years. We thank Mrs. DeCosta for her dedicated service to the Town of Marion and wish her a happy, healthy retirement.

The Board thanks Linda Dessert, M.A.A., our present Associate Assessor, and Cynthia M. Visotski, our Administrative Assistant, for their dedication, work ethic and knowledge of State Assessing Laws and of the responsibilities required of the Board. We are especially grateful for the respect and courtesy they extend to all of the Marion residents and real estate professionals that call or visit our office.

The Board meets regularly on Wednesdays from 3:00 P.M. to 4:30 P.M. and at other times by appointment. We encourage voters to meet with members of the Board at anytime to express their value-related concerns. If you cannot meet with us, please visit us online at [marionma.gov](http://marionma.gov) under Town Departments.

In 2015, we updated our online property value database to include an online mapping application hosted by MapGeo. MapGeo provides access to digital geographic and property data and works closely with MassGIS to make sure our property records conform to MassGIS standards. Using MapGeo, Town employees as well as taxpayers can easily search for properties by owner's name or address, view property record cards, overlay a MassGIS aerial photo onto a property and/or overlay a FEMA Map onto a property. Abatement Applications, Assessors' Maps and additional helpful information are also available on the Assessors' web page located on the Town's website at [marionma.gov](http://marionma.gov) under Town Departments.

Respectfully Submitted,  
*MARION BOARD OF ASSESSORS*  
Catherine A. Gibbs, M.A.A. Chairman  
Ray E. Pickles  
Bradford N. Eames

Retired Associate Assessor Patricia DeCosta

## **Report of the PLANNING BOARD**

To the Honorable Board of Selectmen:

During the year ending December 31, 2016, the Marion Planning Board held 21 Public Meetings. Highlights of the activity include:

- Comments to multiple ZBA requests.
- Review and approval of four Approval Not Required requests.
- Through the Public Hearing process the Board approved a revision of the Subdivision Rules and Regulations Stormwater Management NOAA Rainfall Atlas calculations.
- After consulting with Town Counsel the Board developed and approved an engineering peer review tasking letter and contract.
- Work on the Master Plan continued:
  - Part- time Planner Ken Buckland was hired and helped move the Master Plan along having discussions at almost every planning Meeting He was also instrumental in coordinating Special Meetings of the individual sub committees with the help of SPREDD. These meetings and discussions led to the development of a first draft of the Master Plan.
  - Ken Buckland has since taken a fulltime position with the town of Wareham. He has graciously agreed to help with the Master Plan work until a new part time planner has been hired.
  - The SRPEDD contract was extended through July 2017 to provide continuing professional and technical support.
  - A Master Plan Public forum was held at a regularly scheduled meeting at the Music Hall in January. The forum was well attended by the Public, Town Committees and Boards.
  - The Master Plan Subcommittee enlisted the help of selected Marion taxpayers to provide expertise in support of the Master Plan development and added a Transportation and Circulation committee.
- The Board revised and approved changes to some of the standard forms.
- The Town elections resulted in William W. Saltonstall being elected to a first term and Stephen J. Kokkins being reelected after a one year absence.
- The Board reorganized with Robert H. Lane being elected Chairman, Stephen J. Kokkins being elected Vice-Chairman, and Eileen J. Marum being elected Clerk.

**Applications reviewed by the Planning Board

Michael D. Popitz  
Jennifer Francis  
William W. Saltonstall

**Report of the  
DEPARTMENT OF PUBLIC WORKS**

To the Honorable Board of Selectmen:

The Department of Public Works is pleased to submit the following report of our work performed in 2016.

**WATER**

Throughout the year, the Department of Public Works installed eight 1” services and one 2” water service. In the Spring of 2017 the Department will be replacing two broken hydrants – one on Front Street (Route 105) and one on Point Road.

Our annual fire hydrant flushing was rescheduled until the Fall of 2017 due to the drought conditions in 2016. A drought advisory for SE Massachusetts was issued by the Secretary of Energy and Environmental Affairs in July 2016 and upgraded to a warning status in August 2016. The Department, in response to this status, did not lift the annual water restrictions and will continue to monitor the drought status. This is a requirement of our Water Management Act Permit.

**ANNUAL WATER CAPITAL IMPROVEMENT PROGRAM**

The Department, working with Tata & Howard (the town’s water consulting engineers), and the water sub-committee has been continuing work on the three major water needs: storage, supply, and distribution. An update is as follows:

1. Water Storage: The Department completed the remaining work at the Great Hill Tank site. This work included site grading, installation of the permit-required fence around the perimeter and the reseeding of all disturbed areas of the hayfield.
2. Supply: At the 2016 Annual Town Meeting in May, the town appropriated funding for the engineering and construction required to install three new gravel-packed wells and rehabilitation of the existing Mary’s Pond water station. The design, bidding and construction are scheduled to begin in 2017.
3. Distribution: The Department will be asking for funding of \$75,000.00 to complete the engineering and design for the replacement of 2,700 feet of water main and a meter vault installation on County Road. This will serve as an emergency interconnection between the Town of Marion and the Town of Wareham municipal water systems. This interconnection will add a new water resource in case of a drought and water shortage. This will also increase and improve fire protection.

Funding for the construction of the new 12” water main and meter vault installation will be requested at the 2018 Annual Town Meeting.

## **SEWER**

Throughout the year, the Department of Public Works installed four gravity and five pressure sewer services.

This year we continued with our annual Sewer Rodding Program. This program is done each year as a preventative maintenance measure to help prevent blockages in our sewer mains.

As of the time of this report, the Town has not yet received the new NPDES Wastewater Discharge Permit. The Department, working with CDM-Smith, still disputes the rationale used with regards to the changes made in the draft permit and continues to believe these changes are unwarranted with rationales based on flawed analyses. Hopefully the Town will be challenging the EPA changes in the upcoming months.

## **WATER & SEWER RATES**

The water & sewer rates are reviewed annually. The new NPDES Wastewater Permit will no doubt cause a rate increase. We will be working with our engineers and the Rate Study Committee to determine what that increase will be going forward.

## **ROADS**

The Phase 1B Road Project, which consists of rebuilding the roads and sidewalks on a section of Front Street, Main Street, Cottage Street and Hiller Street, will be put on hold again, until the Town resolves the cost issues concerning the new NPDES Permit. The Phase 1B Road Project engineering is 90% complete and has also been put on hold. In addition to the road and sidewalk rebuilding, this project will also include replacement of 3,500 feet of sewer pipe and 2,200 feet of drainage pipe.

The DPW plans to continue with the pavement management program which includes all streets not included in the 5-phase major road program. The Pavement Management Program is funded through the Chapter 90 funds that the Town receives annually from the State.

In 2017 the Department will be doing work on Joanne Drive, Jenna Drive, Creek Road and sections of Point Road and Spring Street. This work will include patch repairs, crack sealing and complete overlays. This work will be paid for using Chapter 90 funding. The estimated cost at this time is \$450,000.00.

## **Capital Projects and Equipment Requests**

**Highway Division:** Phase II of the planning for a new DPW complex will be put on hold until the financial impact of the new NPDES permit is known.

**Water Division:** The Water Division will continue with the design and bidding for the three new gravel-packed wells at Mary's Pond Station as well as station upgrades.

**Sewer Division:** The Sewer Division will be requesting \$1,900,000.00 for WWTP equipment and reliability upgrades. These upgrades must be done regardless of the pending NPDES permit status.

### **CURBSIDE RECYCLING**

We continued our curbside recycling program in 2016. In all, we were able to recycle 292.6 tons of single stream (both paper and commingles), 197 CRT's, 71 air conditioners, 19 dehumidifiers, 45 refrigerators, 4 freezers, 925 gallons of waste oil, 410 tons of leaves and 542 Christmas trees.

I would like to express my thanks to all residents who participated in our recycling program and made it a success in 2016.

---

I would like to express my appreciation to all members of the Department of Public Works, Rebecca Tilden, Diane Carvalho, the Board of Selectmen, Paul Dawson, Judy Mooney, Police and Fire Departments, Harbormaster and assistants, Shellfish Officer, Karen Walega, the Water Sub-Committee, all the clerks in the town hall, Ray Pickles and Shaun Cormier for their help and cooperation in 2016.

Respectfully submitted,

Robert C. Zora, Supt.  
Department of Public Works

## **WATER & SEWER STATISTICS**

### **WATER**

Total Water Pumped in 2016	198,582,000
At #1 Pumping Station, North Marion	889,000
At Mary's Pond Pumping Station, Rochester	0
At Rochester East Wells	0
At Rochester West Wells	0
At Wolf Island, Rochester (MRV)	77,075,000
At North & South Wells, Rochester	120,618,000
Greatest amount of water pumped in one month--July	25,657,000
Smallest amount of water pumped in one month--January	11,757,000
Greatest amount of water pumped in one week--07/26-08/01	6,228,000
Smallest amount of water pumped in one week--01/05-01/11	2,647,000
Greatest amount of water pumped in one day--07/28	944,000
Smallest amount of water pumped in one day--02/06	288,000
Average daily pumping	544,060

### **SEWER**

Total Sewage Pumped in 2016	159,966,000
Greatest amount of sewage pumped in one month--February	20,838,000
Smallest amount of sewage pumped in one month--September	7,809,000
Greatest amount of sewage pumped in one week--02/16-02/22	5,374,000
Smallest amount of sewage pumped in one week--09/13-09/19	1,666,000
Greatest amount of sewage pumped in one day--02/17	1,087,000
Smallest amount of sewage pumped in one day--09/17	225,000
Average daily pumping	438,263

## **Marion Water Committee 2016 Annual Report**

The Marion Water Committee (Committee) continues its work in planning for continued excellent water service to the residents of Marion for years into the future.

The Great Hill Water Tank Replacement was officially completed in early 2016 with construction of the perimeter fence, final site grading, and seeding of the hayfield. Below are recent photos of the completed water tank construction. Tata & Howard, Inc. continues to assist the Town with finalizing the land swap and easements between the Town of Marion and the Great Hill Trustees, which is set to take place in early 2017.

Other projects and initiatives completed during 2016:

1. Mary's Pond Wellfield/Pump Station Rehabilitation – The Town appropriated funding for engineering, construction, and contingency required to install new gravel-packed wells and rehabilitate the existing pump station at the 2016 Annual Town Meeting. Design and construction is proposed for 2017.
2. Water Rates Update - The annual update of the Marion Water Rates occurred in 2016. The Board of Water and Sewer Commissioners (Selectmen) voted to implement a water rate increase of 2.5% associated with the base charge only. Tier rates remained unchanged in 2016. The water rates will be reviewed again in 2017.

3. Annual Joint Water Committee Meeting - On November 16, 2016, the Committee met with the Wareham Water District and the Rochester Water Commissioners to discuss water matters and potential future initiatives among the three towns. Discussions during the meeting included current and future water initiatives in each Town and a proposed interconnection between the Marion and Wareham Water Distribution Systems. The Towns plan to continue to meet on an annual basis.
4. Emergency Response Plan Training – The Massachusetts Department of Environmental Protection (MassDEP) requires a minimum of ten hours of Emergency Response Plan (ERP) training for public water supply staff on an annual basis. Members of the Mattapoisett River Valley Water District (District) received this training in December 2016. The training course was instructed by Tata & Howard, Inc. and offered to District water supply personnel, including the Marion Water Division, in one of two eight-hour training sessions.
5. Committee for Marion-Rochester Water Agreement Renewal - The Committee, created among Marion and Rochester officials to review the water agreement between Marion and Rochester and update the agreement before it expires in April 2021, met twice in 2016 to begin their initial review and update of the water agreement. Committee members include Jody Dickerson (Marion), Rob Zora (Marion), Paul Dawson (Marion), Naida Parker (Rochester), and Suzanne Szyndlar (Rochester). The existing water agreement document is in PDF format only. The Town of Marion is typing the agreement as a Word document for distribution and to address changes proposed by Committee members.
6. Other Proposed Projects for 2017 – Other projects scheduled for 2017 include an update of the Water Division's existing Emergency Response Plan, and completion of an annual update of the Water Rate Study. The Water Division may seek funding at the 2017 Spring Annual Town Meeting to complete engineering design for a water main replacement and meter vault installation on County Road, which would serve as an emergency interconnection between the Town of Marion and Town of Wareham water systems.

The Marion Water Committee would like to extend its gratitude to Rebecca Tilden for her continued efforts as the Clerk for the Committee and Fred Underhill for his input and commitment to the Committee as a representative from the Town of Rochester.

Respectfully submitted,

Paul Dawson (Town Administrator)

Brian Jackvony (Fire Chief)

W. Dale Jones

David K. Pierce (Chairman)

Rebecca Tilden

Robert Zora (DPW Superintendent)

Frederick Underhill (Chairman, Town of Rochester Water Commission)

**Report of the  
BUILDING COMMISSIONER**

To the Honorable Board of Selectmen:

I am pleased to provide the following report on the activities of the Marion Building Department for the year 2016. It proved to be another active year for building permits and zoning cases.

I am honored to serve the town and the residents in the capacity of Building Commissioner and look forward to many more productive years.

Respectfully submitted,

Scott C. Shippey, Building Commissioner

**Report of the  
ZONING BOARD OF APPEALS**

To the Honorable Board of Selectmen:

The Zoning Board of Appeals has the responsibility under Chapter 40A of the Massachusetts General Laws to act as the Town's Special Permit Granting Authority in matters concerning the application or interpretation of the Town's Zoning By-laws. The Board, currently comprised of four regular members and one alternate member, holds hearings upon request by property owners seeking relief from restrictions regarding the use of their property.

During the year 2016 a total of thirteen public hearings were held. There were a total of fifteen Special Permit applications. Thirteen were granted and two were denied. A total of three applications were submitted for a Variance. All three were approved. One application to seek relief from the restrictions of a previous special permit was approved. The Board also received one application to seek relief from an action of the Building Commissioner. That request was denied.

Respectfully submitted,

Marc Leblanc, Chairman  
Elizabeth Dunn  
Michelle Smith  
Kate Mahoney  
Domingo P. Alves, Alternate

Total hearings in 2016:	15
Special Permits:	13 granted 2 denied 1 withdrawn
Variances:	3 granted

## **Report of the FACILITIES MANAGER**

To the Honorable Board of Selectmen:

I am pleased to submit my fourth annual report of the Marion Facilities Department for 2016.

The first major project of the year was to remediate the water infiltration at Atlantis Drive, Town Hall, and Library. At Atlantis Drive, we repaired all the downspouts and, with the help of the DPW, installed two large dry wells for the roof water drainage. At the Town House, with the help of Norm Hills and the DPW, we first removed all remaining files and relocated them to another facility. Once we removed all wood walls, floors and ceilings, a company came in to clean and remediate the mold throughout the basement. After the cleanup, we added additional sump pumps, dehumidifiers, and sealed all penetrations leading to the first floor office space. The Library required removal of two wood framed sheet rock interior walls and insulation as well. Again, once this was complete, the area was cleaned, remediated and dehumidified.

VCT floor tiles were replaced at the Elizabeth Taber Library and Natural History Museum. These areas consisted of the children's room, employee office area, elevator, and second floor hallway. We also replaced the Museum air conditioning condenser, outdated thermostat controls and heat zone valves on the first and second floors.

We made much needed repairs to the Washburn Park bath house and dugouts. Rotted wood doors were replaced with steel doors and new locks. The storage room door was removed and replaced with a six foot overhead door. The interior wall that divided the space was removed, and a beam installed, so that the Recreation Department can now store their lawn mowing equipment and supplies without renting a steel container. We replaced the gable end vents and shingles with red cedar, soffits were vented and sealed to keep the wildlife out, masonry walls were repaired, and the three buildings were power washed and painted. Due to safety concerns, we removed the old dilapidated pump house building. With the permission from the conservation commission, the old well foundation was capped and is still feeding the pond.

Silvershell Beach and Point Road playground also saw some repairs and upgrades. The old rotted electric meter boxes were a safety concern, and were replaced with new PVC cabinets that will last a lifetime. Power was brought to the new guard shack as well as conduit for security cameras. We also built five new park benches to replace the broken ones which will be installed this spring.

The Main Water Chemical Storage building on Pumping Station Road received a major overhaul. At last year's Town Meeting, we received money to replace faulty gutters and flashing, rebuild top five brick courses of the building, replace rotted steel headers and repoint where necessary. During the removal of the faulty gutters and trim, we had discovered that there was substantial structural damage to the sills and brickwork around the entire building. With approval from the Finance Committee, we were able to complete the additional renovation work needed to make the building safe again. The building received new sills, soffit, trim, roof, gutters, steel door, new steel headers, and a complete repainting of the exterior walls.

We also made much needed repairs to the buildings at Evergreen Cemetery. The old casket storage building was stripped of its vines and power washed to reveal the beautiful old brick work. We installed a new vented roof and exterior PVC trim. The steel gate, original arched wood door and hardware were all restored to its original look. The gazebo is also in major need

of repair. For the time being, we have braced the building for safety. We will be reroofing, rebuilding all the benches and rails, and painting it this spring.

The Facilities Department, along with help from Recreation, COA, DPW, and volunteers, are currently working on the newly acquired Community Center. The building was donated to the Town by the Veterans of Foreign Wars - Benjamin D. Cushing Post #2425 on December 7, 2016. Funds were appropriated by the Finance Committee to begin work remodeling and upgrading the building for the use of COA and Recreation Department. Renovations include demolition and cleanup of the existing spaces, code upgrades to electrical, bathroom, and kitchen. All interior finishes will be upgraded with new paint, tile and carpet. Bathrooms will be totally remodeled and brought up to current ADA codes. Kitchen will be remodeled to meet current Board of Health codes. Lighting will be upgraded where needed and electrical violations will be resolved. We plan to be open to the public for voting in early May, we hope you enjoy the new space.

I would like to make a special thanks to all my seasonal and full time workers in the Facilities Department, Department of Public Works, Recreation Department, and all volunteers for their valuable support, we couldn't have done it all without your help!

Respectfully submitted,

Shaun P. Cormier  
Facilities Manager

**Report of the  
TOWN HOUSE BUILDING COMMITTEE**

To the Honorable Board of Selectmen:

Over the past 12 months the Town House Building Committee (THBC) with its consultants T2 Architecture, Dodson and Flinker Site Planners and PM&C Cost estimators have refined our plans for a renovated Town House.

We produced 4 alternative conceptual programs and cost estimates and presented them to the Selectmen and the townspeople. There were 3 options proposing to restore the existing Town House and one option to build a new building on the recently donated VFW site on Route 6.

The latest public presentation made at the Marion Music Hall on January 26, 2017 was attended by over 75 citizens. Responses were mixed between those who want to see the Town House renovated as a Town House and a group of citizens who desire a more in depth analysis of the 'new building at VFW' option. Concurrently an informal survey mailed out with the 2017 census forms asked citizens to indicate, in general, if they preferred to renovate the existing building or build a new facility if costs were similar. A large majority of over 800 respondents favored renovation.

Following the public forum the THBC convened and voted unanimously to select the least expensive option known as Option 3A (see attached plans and cost estimate). This plan requires demolition of the 1890 Annex and renovation of the original 1876 Elizabeth Taber building. It requires significant downsizing of office space and meeting rooms to accommodate the towns 21 employees who currently occupy 21,380 sf into just 11,255 sf. Option 3A is estimated to cost \$6.1M in hard costs and \$1.87M in soft costs to total just under \$8 million in 2018 dollars. Not included is a possible future addition of a full size meeting room at a later date.

This \$8M capital expense was calculated by the Towns Finance Director & Town Accountant to add 32 cents to the tax rate or \$146.99 to the annual tax bill of the median home in Marion.

The THBC would like to emphasize that while much of the discussion of this project is about money it is not only about money. This decision will affect the active use and economic viability of the Marion village and the quality and charm it exhibits as well as the pride in our town future generations will enjoy.

Following is the proposed design selected by the THBC

Respectfully Submitted,

Robert Raymond, Chair

	Project Contingency at 8%			\$ -
			Sub Total all Soft Costs	\$ 1,871,849
<b>Totals</b>	Grand Total Project Cost		\$ 7,969,219	\$ 7,969,219
	Ratio of Total Costs to Hard Costs			131%
	Total Project cost per gsf			\$ 708.06

### **Report of the Marion Rochester Regional Health District**

To the Residents of the Towns of Marion and Rochester,

The Health District is pleased to present its town report for the year 2016. The members of the Marion Board of Health are Chairperson Betsy Dunn, Vice-Chairman Dr. John Howard, and Clerk Dr. Jason Reynolds.

Public Health Nurse Kathy Downey, PhD., MSN, BSN does a wonderful job managing public health nursing. She also is the lead person for the Medical Reserve Corps. Last March we had a drill using our shelter at Sippican School. It provided the MRC members and Mrs. Downey with valuable information.

Maureen Murphy is the Board Administrator for the Marion Board of Health. She also works closely with Mrs. Downey helping with managing the Medical Reserve Corps, and the endless paperwork that is generated by flu clinics. We thank Mrs. Murphy for her efforts to keep us all current on our reports.

Janice Young is the Food Inspector for the District. She has a long history doing inspections for the Town of Dartmouth. She really is the area's well known authority on the Food Codes, both Federal and State, and how they apply to our area's food service establishments, and retail food stores.

For the Town of Marion, we hired John Powers, a Senior Work Off person, to do our summer beach inspections. We enjoy having Mr. Powers collect our beach samples, and he really has the best job in the Department as he frequents all of the beaches in the summer on a weekly basis. Thanks John Powers.

The Town of Rochester's Board of Health Members are Chairman Dale Barrows, Vice Chairman Glenn Lawrence, and Clerk William David Souza.

Mrs. Jane K. Ellis retired this fall as the Clerk for the Board of Health. Mrs. Ellis worked for the Town of Rochester in a number of capacities including being the first Town Accountant, and first town employee that worked in the Town Hall under Selectman Raynor Gifford. She was appointed to the Board of Assessors in 1984. In 1999 she worked as the Clerk for the Board of Health. She was very active in her community, was a member of the First Congregational Church, sang in several choirs, and was on the Church Board of Trustees. She also served helping out with managing the Town Cemeteries. She also served as Town Accountant in Mattapoisett and Fairhaven in subsequent years. Ironically, her family gave the land for the Annex Building/Women's Club. She will be sorely missed in the Annex Building and Town Hall. She has a wonderful sense of humor, and is greatly admired by all that work with her. We all wish her the very best of health as she enjoys her retirement. A Recognition Celebration will be scheduled in the spring to celebrate the over 30 years of service that she gave to the Town of Rochester.

Special thanks to Isabel Borges who worked with the Board of Health helping out during the transition period, and Audrey Ouellette, Senior Work Off person who helped while we began our search for a new administrative assistant.

We welcome Leann Morton, Administrative Assistant to the Board of Health. Mrs. Morton has an extensive work history as Permit Coordinator for the Town of Framingham and also worked for the City of Cambridge.

## **Report of the PUBLIC HEALTH NURSE**

To the residents of the Town of Marion:

The health of the residents of Marion has benefited from many collaborative efforts by the Public Health Nursing office. This letter highlights some of them.

The flu clinics offered to town residents were successful because of the efforts of a number of volunteers including Betsy Dunn, Betsy Foster, Betsey Christiansen, Jean Maher, Maureen Lamoureux, Helen Westergard, Everett Eaton, Ellen Murphy, Rita Costa, and Paula Ward. Additionally, undergraduate and graduate nursing students from Curry College and University of Massachusetts Dartmouth assisted with the clinics.

Collaborations with students and interns from the Massachusetts Department of Public Health, Worcester State College, Curry College, University of Massachusetts Dartmouth, Bridgewater State University, Boston University and Regis College have provided residents with significant services. In addition to assistance with the flu clinics, some of the benefits include weekly visits for several homebound residents, initial development of a social media strategy for the health department, production of a tick awareness program for ORCTV, faculty training on dating violence at ORR, depression and suicide prevention education in health classes, an assessment of elder substance use, assistance with the Memory Café and weekly nursing clinics.

The Council on Aging continues to evolve with programming at the Music Hall. The Public Health Nurse participates in Monday programming offering clinic hours, and in the Memory Café, supporting individuals and their caregivers.

The steering committee of the Marion-Rochester Unit of the Middleborough Area Medical Reserve Corps (MRC) has met regularly throughout the year with a focus on sheltering. In January, the MRC held a training event for volunteers, and initiated an effort to update volunteer job action sheets and signage specific to shelters. This effort is completed and training on the new manual is anticipated for 2017.

The town of Marion has not been immune to the opiate epidemic. We continue to promote prevention strategies to the entire community, and support individuals and families who are struggling with addictions. We collaborate regionally with a coalition of communities including Dartmouth, New Bedford, Mattapoisett, Rochester and Wareham on approaches to address prevention and intervention with opiate abuse. Within the Tri-Town, we have partnered with the faith communities in this effort.

We are active participants in the Healthy Tri-Town Coalition. We have collaborated with other stakeholders to identify community based strategies to address health concerns. I encourage all interested community members and groups to consider participating in this coalition with us (see web page for further information:

<http://www.healthytritowncoalition.org/>). Additionally, the Marion-Rochester Health District is a collaborator with Dartmouth, New Bedford, Mattapoisett and Wareham in a regional effort to address underage substance use.

An issue that continues to challenge our region is tick-borne diseases. Too many of our town residents have acquired a tick-borne illness and required treatment for the acute illness, the chronic illness or both. Some have required hospitalization and rehabilitation as they recovered from the illness. As we continue to address these diseases, it is clear that knowledge and understanding of these tick-borne diseases is evolving. Although some of my effort to address these diseases (Lyme disease, Anaplasmosis, Babesiosis) is focused on individuals who have contracted them, we are continuing to work within the community to foster and support prevention activities. All walking trails are now marked with placards advising about ticks. We continue to disseminate information about ticks in a variety of venues. Additionally, we have several tick related videos that run on ORCTV. We welcome future collaborations with individuals and groups to assist us in addressing tick-borne illnesses in Marion.

Finally, we were thrilled to be part of the 1<sup>st</sup> Seaside Health Fair which was sponsored by the Recreation Department. We were able to present health information specific to Marion residents at several booths during the fair. Information that we provided included prevention of tick bites, opiate prevention, safe storage of medications and volunteer recruitment for the Medical Reserve Corps. Additionally, the Children's Melanoma Foundation provided an opportunity for residents to observe their own skin damage using special "cameras", and also offered information on prevention of skin cancer.

Respectfully submitted,

Kathy Downey, PhD, RN, MSN, MBA  
Public Health Nurse

## 2016 Report of the Council on Aging

**Heather Sylvia**, Director  
**Karen Gregory**, Program Coordinator  
**Margo Ruggiero**, Outreach  
**Paul Garib**, Driver  
**Norman Johnson**, Driver  
**Charlie Duane**, Driver  
**Joanne Mahoney**, Chairman, Board of Directors  
**Mary Maag**, Secretary, Board of Directors  
**Andrew Santos**, Treasurer, Board of Directors  
**Joan Asker**, Board of Directors  
**Margaret Gee**, Board of Directors  
**Trudy Kingery**, Board of Directors  
**Frank McNamee**, Board of Directors  
**Harry Norweb**, Board of Directors  
**George Pina**, Board of Directors  
**Andrea Keene**, Associate Member  
**Nancy Ross**, Associate Member

The Marion Council on Aging (MCOA) office at the Town House is open and staffed Monday – Friday, 9:00 a.m. – 3:00 p.m. You can also stay up to date on programs and activities by liking us on Facebook, [www.facebook.com/marioncoa](http://www.facebook.com/marioncoa)

Utilizing our three handicap/wheelchair accessible vans and now an electric car, the Council on Aging provides transportation to Marion seniors for medical appointments, personal errands and grocery shopping. While most of our transportation is local we are also available for your Boston and Providence medical needs. This year alone we provided transportation for 185 unduplicated individuals for a total of 5119 rides. The MCOA is also responsible for delivering Meals on Wheels, Monday - Friday.

2016 brought many COA staffing changes starting in March with new Director **Heather Sylvia**. In late spring, the COA staff and Board of Directors wished **Ora Mae Torres** well in her retirement. We would like to take this opportunity to thank Ora for her dedication to the health and well being of Marion's elderly population. **Margo Ruggiero** was hired in the fall as the COA's new Outreach Worker and is available to help with applications/renewals for SNAP (food stamps), fuel assistance and other social services. Thanks to additional funding through the town budget and voted on at the Spring Town Meeting, as of July 1<sup>st</sup>, **Karen Gregory**, Program Coordinator, increased her hours to 19.5/week.

In 2016 the COA welcomed four (4) new members to the Board of Directors. **Harry Norweb**, **Margaret Gee**, **Andrea Keene**, Associate Member and **Nancy Ross**, Associate Member.

In August, the COA celebrated the 1-year anniversary of programming on Mondays at the Music Hall, 164 Front Street. Except for holidays, Mondays begin with Chair Yoga at 10:00 a.m. Lunch is served at 11:45 a.m. followed by a lecture series at 12:45 p.m. To ensure enough food, seniors are asked to RSVP simply by calling the COA office, 508-748-3570. Kathy Downey, PhD, RN, Public Health Nurse is also available on Mondays at the Music Hall from 9:30 a.m. – 11:30 a.m. for health consultations, education, blood pressure and routine adult vaccinations.

In September the COA launched the Waterfront Memory Café. The Memory Café is a weekly gathering (Wednesdays) for individuals with Alzheimer's type or other memory loss and their care partner, family or friends, in a safe, supportive and engaging environment. For more information please call the COA office, 508-748-3570. The Memory Café is funded, in part, by The Massachusetts Association of Councils on Aging and Senior Center, MA Executive Office of Elder Affairs, Marion Police Brotherhood and Friends of the Marion Visiting Nurse.

**Our new/continuing exercise lineup in 2016 was as follows:**

**Mondays:** **Chair Yoga** (Pamela Smith Paquette), 10:00 a.m., Music Hall; **Cardio Dance Fit** (Ellie Mae Higgins), 9:30 a.m., Atlantis Dr.

**Tuesdays:** **Senior Fitness Class** (Karen Corcoran), 9:30 a.m., First Congregational Church Hall. Sponsored by Friends of the Visiting Nurse.

**Wednesdays:** **Strength and Conditioning** (Larry Bigos), 10:15 a.m., Music Hall

**Thursdays:** **Senior Fitness Class** (Karen Corcoran), 9:30 a.m., First Congregational Church Hall. Sponsored by Friends of the Visiting Nurse; **Tai Chi** (Kyle Marston), 11:00 a.m., Music Hall.

**Fridays:** **Senior Fitness Class** (Karen Corcoran), 9:30 a.m., First Congregational Church Hall. Sponsored by Friends of the Visiting Nurse.

In closing, the COA would also like to thank Tabor Academy for allowing us to use their Great Room, 188 Front Street, to offer free Mahjong lessons on Fridays from 11:00 a.m. – 2:00 p.m. with dedicated volunteer **Trisha Duane**.

Respectfully Submitted,  
Heather Sylvia  
Director

Members of the VFW Benjamin D. Cushing Post #2425 with the Board of Selectmen, December 7, 2016

**Report of the  
MARION AFFORDABLE HOUSING TRUST**

To the Honorable Board of Selectmen:

The mission of the Marion Affordable Housing Trust is the creation and preservation of housing in Marion for the benefit of low- and moderate-income households. In achieving our mission, we seek:

1. To promote a variety of affordable housing options for those with modest income, including young adults, families, long-time residents, the elderly, downsizers, returning Marion natives and municipal employees.
2. To preserve the natural, historic and seaside character of our Town and to nurture our sense of a diverse, yet integrated community.

Activities for the Trust in 2016 included:

1. The Trust continues to actively search for potential properties suitable for affordable housing development.
2. The Trust worked throughout the year with SRPEDD and the Council on Aging to obtain public transportation for the Town.
3. The Marion Affordable Housing Trust continues to look at the possibilities of zoning changes and mixed-use development to promote affordable housing.
4. The Trust continues to cooperate with the Planning Board on matters of Zoning and for possible amendments to the Zoning Bylaws that will encourage affordable housing in appropriate areas of the Town.

We wish to express our appreciation to Town Administrator Paul Dawson and Town Counsel Jon Witten.

Respectfully submitted,

Jennifer Watson, Chairman  
Jonathan F. Henry, Vice-Chairman  
Michael Pierre  
Stephen C. Gonsalves  
Ruth Olson

## REPORT OF PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

The Commissioners of the Plymouth County Mosquito Control Project are pleased to submit the following report of our activities during 2016.

The Project is a special district created by the State Legislature in 1957, and is now composed of all Plymouth County towns, the City of Brockton, and the town of Cohasset in Norfolk County. The Project is a regional response to a regional problem, and provides a way of organizing specialized equipment, specially trained employees, and mosquito control professionals into a single agency with a broad geographical area of responsibility.

The 2016 season began dry with a low water table, dry conditions increased into the summer season. Efforts were directed at larval mosquitoes starting with the spring brood. We ground larvicided 4,600 acres and aerial larvicided 15,432 acres and this was accomplished using B.t.i., an environmentally selective bacterial agent. Upon emergence of the spring brood of mosquitoes, ultra-low volume adulticiding began on June 1, 2016 and ended on September 9, 2016. The Project responded to 13,775 requests for spraying and larval checks from residents covering all of the towns within the district.

In response to the continued threat of mosquito borne diseases in the district, we increased our surveillance trapping, aerial and ground larviciding, and adult spray in areas of concern to protect public health.

Massachusetts Department of Public Health has developed an “Arbovirus Surveillance and Response Plan” for the state. The Plan creates a system which estimates the human risk for contracting Eastern Equine Encephalitis and West Nile using several factors including the number of infected mosquitoes. Based on guidelines defined by the Plan, all towns in Plymouth County Mosquito Project were at the “Low Level Risk” for Eastern Equine Encephalitis. We are pleased to report that in 2016 there were no human, or horse EEE cases in the district. There were 3 pools of mosquitoes found to be infected with EEEV. They were in the following towns: Kingston, Middleboro, and West Bridgewater.

West Nile Virus was not found within the district. All towns within the district remained at the “Low Level Risk” category for West Nile Virus. We are also pleased to report that in 2016 that there were no human or horse West Nile Virus cases in Plymouth County Mosquito Control district. As part of our West Nile Virus control strategy a total of 47,391 catch basins were treated with larvicide in all of our towns to prevent WNV.

The Health threat of EEE and WNV continues to ensure cooperation between the Plymouth County Mosquito Control Project, local Boards of Health and the Massachusetts Department of Public Health. In an effort to keep the public informed, EEE and WNV activity updates are regularly posted on Massachusetts Department of Public Health website.

In conjunction with the MDPH we began a trapping program to monitor *Aedes albopictus* expansion in the state. *Ae. albopictus* is an introduced mosquito that has the potential to become a serious pest and a vector of disease. The mosquito has been present in the Massachusetts since

2009. The larvae live in containers and are closely linked with human activity. They are especially associated with used tires. In mid-summer the mosquito was detected in the District for the first time. We think the population is small, but expect the mosquito to spread. As a result, we plan to expand our *Ae. albopictus* surveillance program.

The figures specific to the town of Marion are given below. While mosquitoes do not respect town lines the information given below does provide a tally of the activities which have had the greatest impact on the health and comfort of Marion residents.

**Insecticide Applications:** Our greatest effort has been targeted at mosquitoes in the larval stage, which can be found in woodland pools, swamps, marshes and other standing water areas. Inspectors continually gather data on these sites and treat with highly specific larvicides when immature mosquitoes are present. In Marion 86 larval sites were checked.

During the summer 497 catch basins were treated in Marion to prevent the emergence of *Culex pipiens*, a known mosquito vector in West Nile Virus transmission.

Our staff treated 137 acres using truck mounted sprayers for control of adult mosquitoes. More than one application was made to the same site if mosquitoes reinvaded the area. The first treatments were made in June and the last in September.

**Water Management:** During 2016 crews removed blockages, brush and other obstructions from 375 linear feet of ditches and streams to prevent overflows or stagnation that can result in mosquito production. This work, together with machine reclamation, is most often carried out in the fall and winter.

**Mosquito Survey:** Our surveillance showed that the dominant mosquitoes throughout the district were generally *Coquillettidia perturbans* and *Culex pipiens/restuans*. In the Town of Marion the three most common mosquitoes were *Oc. taeniorhynchus*, *Cs. melanura* and *Culex pipiens/restuans*.

We encourage citizens or municipal officials to visit our website at [www.plymouthmosquito.org](http://www.plymouthmosquito.org) or call our office for information about mosquitoes, mosquito-borne diseases, control practices, or any other matters of concern.

Stephen Gillett  
Superintendent

Commissioners:  
John Kenney, Chairman  
Michael F. Valenti, Vice-Chairman  
Cathleen Drinan  
John Sharland-Secretary

## **2016 ANNUAL REPORT FROM THE VETERANS AGENT**

The Veterans Service Office is open Tuesday, Wednesday and Thursday, from 8 A.M. to 4 P.M., telephone number (508) 758-4100, Ext. 7. The Commissioner of Veterans Services in Boston approved a Tri-Town Veterans Office. The Veterans Service Office assists veterans and their dependents as stated in Chapter 114-Medical Benefits and Chapter 115-Ordinary Benefits under Massachusetts General Laws. The Agent, files claims, explores every avenue of resources and revenue available. For those unable to return to part or full-time employment due to age, physical or emotional disability, we seek to secure a degree of financial stability that will allow the individual to maintain one's self dignity. Our office continues to deal with people on an individual basis to see that they receive assistance when needed and help them to become self-sufficient in the shortest possible time. The case load has tripled over the past few years; we are assisting more veterans and their families.

In 2016, the office processed numerous claims for federal benefits, including VA pensions, Discharge Requests to War Records, Educational Benefits, VA loans, VA Aid and Attendance, Requests for Medals, arranging honor guards for funerals, Iraqi bonus applications, annuity claims, VA license plate requests, and EVR verification forms.

In October, the Agent and Secretary attended mandatory trainings under Massachusetts Chapter 115 benefits and Federal VA benefits. Every three years mandatory certification is now required for the Veterans Agent.

In conjunction with the Florence Eastman Post 280-American Legion, our office arranged the ceremonies for Memorial Day and Veterans Day.

The Veterans Office continues to work in conjunction with Cape Cod Care for the Troops to send care packages for the soldiers serving abroad. If anyone has a relative or friend currently serving in the United States or abroad and would like them to receive a care package, please contact our office during the business hours listed above.

Paula Butterfield, Principal Clerk in the Veterans Office, retired the end of November. Many thanks to Paula for all of her dedication and assistance with matters concerning the veterans and their families over the past twenty-five years.

Sincerely,

Barry J. Denham, Veterans Agent  
Department of Veterans Services  
Towns of Mattapoisett, Rochester, and Marion

**Report of the  
POLICE DEPARTMENT**

To: The Honorable Board of Selectmen

I am pleased to offer this report on the activities of the Marion Police Department for 2016.

There were some personnel changes in the department during the year. Sean Day was hired as a special police officer. Special officer Scott Cowan began his twenty-one week training at the police academy, to become a full-time officer. He is expected to graduate in April of 2017. Ass't. Harbormaster Adam Murphy completed his training, and has begun working as a special officer. Special Officer Shawn Costa resigned in May, after sixteen years of service.

Officer Alisha Crosby began her assignment as the department's first School Resource Officer (SRO). She will act as the liaison between the schools and the department and has already been working with schools and neighboring communities SROs on common safety issues.

Officer Jeffrey Habicht was recognized by the "Stop Stick" company in November, for their "hit of the month" award. This award is based on submissions from law enforcement agencies all around the country. Officer Habicht successfully deployed the tire deflation devices on Route 195, which stopped a wrong way vehicle, being operated by an alleged intoxicated driver.

In response to the opioid epidemic, officers were trained in the administration of Narcan and are now carrying it on patrol. In December, the department joined with other Plymouth County police agencies to form Project Outreach. This program is collaboration between law enforcement and health agencies, to provide treatment solutions for individuals who have suffered a drug overdose. The program also provides support services direction to family members of overdose victims.

The siding on the Police Station had been showing areas of failure, after just five years. Working with Town Administrator Paul Dawson and Facilities Director Shaun Cormier, we were able to have the siding manufacturer offer to replace all the siding on the building, at no cost to the town, and issue a new warranty.

I would like to thank the other town departments for all their assistance and support throughout the past year. Finally I wish to offer my gratitude to all the members of the Marion Police Department for all their dedication to keeping Marion a safe place to live.

Respectfully submitted,

Lincoln W. Miller  
Chief of Police

**Report of the  
ANIMAL CONTROL OFFICER**

To: The Honorable Board of Selectmen

The Animal Control Officers responded to 324 calls for service during 2016. Those calls involved unrestrained dogs, barking dog complaints, dog bites and deer struck by motor vehicles, just to highlight a few. The Animal Control Officers also assisted neighboring communities, when their officers were unavailable.

We continue our relationship with the Southcoast Humane Society and Shelter in Dartmouth, where all dogs and cats impounded by the Animal Control Officer are taken.

Wild animals continue to be a source of complaint by many residents. Many wild animals will come into neighborhoods looking for a food source. To help prevent this, residents should make sure that potential food sources are not left outside. This would include unsecured garbage cans and pet food dishes. Never feed a wild animal! Remember, a wild animal may carry diseases, such as rabies. Do not pet or handle a wild animal.

I would like to remind our dog owners that the Town of Marion has a leash by-law in place. This is a passive leash law, whereby dogs under verbal command of their handlers are considered leashed. If a dog does not respond to the commands, they are not considered to be leashed. This by-law applies to all areas of town. The town also provides pet pick-up containers at local parks, such as Silvershell Beach, Island Wharf and Washburn Park. Please be considerate of others and pick up after your pet!

Longtime Assistant Animal Control Officer Donna Leonardo resigned this year. I thank her for her many years of service. Adam Murphy was hired as an Assistant Animal Control Officer.

My thanks go to Animal Control Officer Susan Connor and Assistant Adam Murphy, for their fine work throughout the past year. Additionally, I would like to thank Rob Zora and his crew at the D.P.W. for their continued assistance.

Respectfully submitted,

Lincoln W. Miller  
Chief of Police

**Report of the  
MARION EMERGENCY MANAGEMENT AGENCY**

To: The Honorable Board of Selectmen

I am pleased to offer this report on the activities of the Marion Emergency Management Agency for 2016.

In early October the Emergency Management Team met to prepare for the possibility of a landfall by Hurricane Matthew. Fortunately, the storm took a track away from our area and caused no concerns.

Fire Chief Brian Jackvony was appointed as an assistant director of Emergency Management.

Chief Jackvony and I have met with officials from the Massachusetts Emergency Management Agency (MEMA) to begin the process of certification for the Town of Marion. We will be forming a Local Emergency Planning Committee to formalize the town's response to disasters.

We continue to receive reimbursement funds from FEMA, for the Blizzard of 2013.

The town continues to have a dedicated group of citizens who volunteer their time to handle shelter operations, through the Medical Reserve Corps. The group is overseen by the Board of Health, and stands ready to respond at any time disaster strikes. I encourage any citizen who would like to volunteer, to contact the Board of Health office.

I would again like to extend my deepest gratitude to our Finance Director, Judy Mooney, for all her assistance in navigating through the process of the federal reimbursement.

I would like to thank all the town departments for their assistance throughout the past year, and their continuing support in keeping Marion well prepared.

Respectfully submitted,

Lincoln W. Miller  
Emergency Management Director

**Report of the  
PARKING CLERK**

To the Honorable Board of Selectmen:

This has been the thirtieth-fourth year the Town has been involved with the Plymouth County Parking Enforcement Program. The Town pays \$1.50 per ticket to this Program, which then pursues parking violators until fines are paid.

Violators should be warned that this pursuit becomes most annoying when automobile license and registration renewals are blocked until such fines are paid. Fines may be paid on-line at the [www.plymouthcountyparking.com](http://www.plymouthcountyparking.com).

This year, \$1,720.00 was collected in fines, \$1,512.00 of which was returned to the Town.

I wish to thank Barbara Mauro, Administrative Assistant, for her dedication and for the respect and courtesy she extends to all Marion residents.

Respectfully submitted,

Jonathan E. Dickerson  
Parking Clerk

## **Report of the FIRE/EMS DEPARTMENT**

We respectfully submit our 2016 Annual Report for Marion Fire/EMS.

As happens almost every year, we have once again experienced a change in personnel. We lost the following part time staff members: Lieutenant Brian Avila (16) years, Lieutenant Adam Murphy (10), Firefighter Ryan Burke (8), Firefighter Travis Glennon (1), Firefighter John Grasso (1) EMT W. Dale Jones stepped down from active duty (40). In addition we have several new fire fighters and/or EMT's as well. The following former members were re-appointed to the department; Firefighter Raymond Reimold, Paramedic Blake Wilson, Firefighter Brooks Wilson.

Promotions made this year include Lieutenant Ronald Auld promoted to Captain, Lieutenant Joshua Denham promoted to Captain, Firefighter Christopher Nye promoted to Lieutenant. Firefighter Peter Bourgault has been assigned as Marine Safety Officer and Firefighter Brooks Wilson has been assigned as Incident Safety Officer.

Joshua Denham was appointed full time Captain and fire inspector; new recruit firefighters include Daniel Blizard, Luke Carroll, Nathan Castonguay, Barry Lima and Dustan McGlinn.

Several members have achieved professional status this year: EMT's Pamela Bailey, Daniel Eldridge and Robert McNamara achieved Paramedic status.

The Department received a new pumper in 2016. The pumper was delivered in September by Greenwood Emergency Vehicles of North Attleboro. This truck has been assigned to Engine 1 at the headquarters station. We also received a new ambulance in November of 2016. The ambulance was purchased from Specialty Vehicles of North Attleboro. The new ambulance also is assigned to the headquarters station. Both vehicles were delivered on budget. Necessary repairs have been made to the existing ambulance in order to handle any backup medical calls. Funding has been secured through a FEMA grant for the installation on a new fire alarm system and a source capture ventilation system at the headquarters station. Both of these systems are necessary to protect the health and wellbeing of firefighters and EMT's assigned to this station.

Extensive repairs were necessary this year to Ladder 1. Ladder 1 was manufactured in 1991. Non-destructive testing indicated fractures to critical areas of the ladder. Greenwood Emergency Vehicles completed the repairs which took about three months.

We are making significant progress towards the installation of a new emergency generator at headquarters. Other pending capital projects include upgrading our reporting system and new security systems.

**Call Activity:**

We responded to a total of **1319 calls in 2016. This represents a slight decrease from the previous year.** The busiest day of the week continues to be Saturday. The busiest time of day is between 9 am and 12 noon. These calls included:

Structure Fires	6	Medical Emergencies	645
Fire/Rescues	41	Medical Mutual Aid	102
Drills	45	Fire/CO Alarm Activations	189
Citizen Assists	59	Outside Fires	14
Hazards/Spills	57	Mutual Aid Calls	15
Vehicle Crashes	102	Miscellaneous	44

**Permits & Inspections:**

Fire & Life Safety	102	Smoke & CO Detectors	148
Fire Detection Systems	4	Fire Suppression System	3
Marine Fueling	2	Oil Burner/Tanks	33
Cargo/Transfer Tan	6	Tank Removals	2
Unvented Gas Heaters	4	Explosive Storage	1
LP Storage	42	Fireworks Permits	4
Tents	63	Open Air Burning	357

In closing, we wish to extend our sincere thanks to all our staff, Admin Assistant Cindy Visotski, Marion Police, the various Town Boards, Committees and Departments, the Honorable Board of Selectmen, and especially Paul Dawson, Town Administrator, for their cooperation and support.

Respectfully submitted,

Brian Jackvony  
Chief

Allen Denham  
Assistant Chief

## **Report of the RECREATION DEPARTMENT**

To the Honorable Board of Selectmen:

It gives me great pleasure and it is an honor to submit to you the sixty second annual report of the Recreation Department.

Once again, with the aid of many volunteers, dedicated staff and municipal employees, the Recreation Department offered a variety of programs (56) for all ages throughout the year. Here are the highlights of 2016:

### **Maintenance of Property:**

It has been, and continues to be, a priority of the Recreation Department to maintain the facilities that come under its management.

In 2016 a new black aluminum fence was installed at the Point Road School Playground as well as landscaping that included new shrubs, bushes, and flowers. A flagpole was also installed in the vicinity of the original flag pole that stood when the school was in operation. In addition, the basketball playing surfaces at the playground were repainted and resealed.

Under the leadership of the Facilities Department, new doors were installed at the restrooms at Washburn Park.

The seven playing fields, along with the grounds at Washburn Park, Point Road School Playground, Town House Field, Sippican Field and Silvershell Beach had extensive use this past year. With the seasonal extensive use comes maintenance upkeep, and our part-time seasonal employees have done an outstanding job in maintaining these properties.

2016 was the sixth year that Marion participated in the Old Rochester Little League (Marion, Mattapoisett, and Rochester). More than 60 youngsters from Marion participated in the program.

For many years the Town of Marion participated in the Gateway Babe Ruth League (Acushnet, Bourne, Fairhaven, Marion, Mattapoisett, Onset, Rochester and Wareham) with great success, and this year was no exception.

### **Silvershell Beach & Summer Program:**

The lifeguards did an outstanding job making the beach safe, friendly, clean and enjoyable. Weekly training exercises, along with daily meetings, were conducted to ensure that safety was the #1 priority. We received many comments on the professionalism of the lifeguards, summer program counselors, and beach staff were this year. Swimming lessons were offered to Marion and Rochester residents.

In accordance with State regulations, daily water testing was conducted at Silvershill Beach by the Marion Board of Health to assure the quality of water for swimming. As a friendly reminder to dog owners, dogs are not allowed on the beach from April to September. Dog waste can and has jeopardized the quality of water at the beach. Test results showing elevated levels of certain bacteria could cause temporary closure of the beach during the busiest time of the year.

### **Fall:**

Fall Recreation Soccer, along with Travel Soccer, had more than 400 children between the ages of 3–13 participating this year. This was the first year that we participated in the South Shore Soccer League, in which we had great success.

I would like to personally thank all of the coaches, volunteers, and in particular Nathan Vaughan, Assistant Director of Recreation, for spending countless hours in making this one of the most popular programs.

### **Other Programs:**

The many other programs include Dance, Musical Theater, Hip Hop, Line Dancing, Vacation Fun Days, Babysitting Course, Home Alone, Youth Basketball, Adult Basketball, Men's Hockey, Women's Hockey, Wrestling, Public Skating, Sailing, Volleyball, Adult Classes, and Kids' Equipment Day.

I would like to extend by sincere gratitude for the valuable support of the Department of Public Works, Facilities Department, Marion Police, Fire, and Harbormaster Departments. Also, Tabor Academy, Rochester Parks Department, Marion Police Brotherhood, Sippican School, Town House staff, and the dedicated Recreation Department employees, especially Nathan Vaughan and Donna Hemphill. Tremendous gratitude and regard for the numerous coaches, volunteers and residents who serve throughout the year - they make it possible to offer so many outstanding recreational opportunities to the citizens of Marion.

Respectfully submitted,

Jonathan E. Dickerson, Director

## **Report of the HARBORMASTER**

To the Honorable Board of Selectmen:

I would like to thank the Board of Selectmen and the Town of Marion for the opportunity to serve as your Harbormaster. I am pleased to submit this report on the state of Marion's waterways and our activities over the past year.

Late 2015 and into early 2016 The Marine Resources Committee and Harbormaster Department undertook a comprehensive review of the bulk of our Waterways regulations. Several minor changes were made however the bulk of the regulations remained intact. Looking ahead we will be going through our dinghy and kayak racks and clearing up some of the issues that have arisen over the years as boats grow bigger and the popularity of kayaking increases. The Island Wharf float system will also see some changes over the next few seasons as we look to add a few more floats and restructure some slip assignments to better utilize the available space.

The Harbormaster's office received a major facelift during the Fall of 2016. The rehabilitation of the office, which included new windows and doors and a complete replacement of the interior office space was done in-house by the Harbormaster Staff. Taking into account this project was done in conjunction with our hauling season I would like to thank my staff who worked tirelessly to complete this project on time and on budget.

Safe boating practices have always been and will continue to be a priority. Through our Boater Safety Classes and public outreach programs we try to instill in boaters a heightened sense of awareness when on the water. While a majority of Boaters are very competent on the water there are always a few that are not. In most cases we have found it to be more productive to use these interactions as teaching moments rather than the end result being a citation.

I thank the Members of the Marine Resources Commission for their support and guidance and all the Town Departments that provide valuable assistance throughout the year, this help is greatly appreciated.

Respectfully submitted,

Isaac W. Perry  
Harbormaster

## MARINE INCIDENTS BOATING SEASON 2016

DATE	REPORT TYPE
February 23	Reported vessel in distress
March 29	Kayak washed ashore
April 24	Person in the water
April 27	Vessel taking on water

## **Report of the SHELLFISH OFFICER**

To the honorable Board of Selectmen:

I would like to thank the Board of Selectmen and the Town of Marion for the opportunity to serve as your Shellfish Officer. I am pleased to submit the following report on the state of Marion's shellfish resources and my activities over the past year.

Over the summer and fall of 2016 we grew out 200,000 oysters. These oysters when delivered measured 2mm. During the four months the upweller was in operation we were able to grow them out to an average size of an inch and a half. Once the upweller was shut down in late November the oysters were relayed to areas where they are accessible for both Commercial and Recreational fishing. This year our department transplanted 100,000 soft shell clams to areas around Meadow and Planting Island as well as areas of the Inner Harbor.

We plan on continuing in raising these oysters in hope that these efforts will further result in aiding these natural sets for years to come. This year were very successful raising the oysters. We were pleased with how well the oysters responded, we had a great amount of growth in just a few short months.

Quahog Populations have also been steadily improving over the past several seasons. Areas of the Inner Harbor, particularly the western shores provided easy season access and abundant quahog beds. The long awaited quahog relay has finally started this past summer. The summer of 2017 we will continue seeding Planting Island Cove. The first 800 bushel of Quahogs have been placed in the Southern most end of Planting Island Cove. I am pleased to announce this area will be open September of 2017 for family's to enjoy harvesting shellfish.

This year we have had three Aquaculture grants that have been in the application process. I am pleased that Douglas Thackeray has been successful in completing the rigorous application and has been licensed to start moving forward on his site. The two other sites are still currently in the application process and should be getting closer in the near future.

I would like to thank the Members of the Marine Resources Commission for their support and guidance as well as all the Town Departments that provide valuable assistance throughout the year, this help is greatly appreciated.

If anyone has any comments or suggestions, feel free to call or stop by the office.

Respectfully submitted,

Adam C. Murphy  
Shellfish Officer

## **Report of the MARINE RESOURCES COMMISSION**

To the Honorable Board of Selectmen:

The MRC is pleased to submit the following report of activities for 2016.

The MRC, in conjunction with the Harbormaster's office, has had a constructive year overseeing the harbor and its environment.

Our Harbormaster, Isaac Perry, continues to exemplify professionalism, dedication, and hard work.

Adam Murphy has shown a great competence and proficiency in the position of Assistant Harbormaster/Shellfish Officer.

The Town of Marion is very fortunate to have this level of excellence in the Harbormaster's Office.

The following is a listing of the responsibilities designated by the Board of Selectmen to the MRC.

1. Maintain and, in concert with the Harbormaster, periodically make recommendations to the Board of Selectmen for revision of the Marion Waterways Regulations.
2. Maintain and, in concert with the Shellfish Officer and Harbormaster, periodically make recommendations to the Board of Selectmen for the revision of the Shellfish Regulations.
3. Provide long-range planning for the harbor and its resources, including matters relating to moorings, piers and docks, land acquisition, water sheet zoning, stormwater runoff mitigation and protection of the harbor's resources. Coordinate planning activities with other boards/committees, as appropriate.
4. Oversee capital planning and project implementation to maintain harbor infrastructure. Review capital budget prepared by the Harbormaster and advise regarding same as needed.
5. Review the operating budget prepared by the Harbormaster and advise regarding same as needed.
6. Review harbor fees with the Harbormaster and advise the Board of Selectmen regarding adjustments as needed.
7. Review the shellfish license fees with the Shellfish Officer and Harbormaster and advise the Board of Selectmen regarding adjustments as needed.
8. Provide guidance to the Board of Selectmen, Town Administrator and marine department on marine resource issues.

9. Members of the Marine Resources Commission may also serve on special Town committees to deal with issues that share a common interest with other Town boards.

I wish to thank the members of the MRC for their continued hard work. Also, the Board of Selectmen, Paul Dawson, Judy Mooney, and the Town House staff for their continued assistance and support.

Respectfully submitted,

Gregory W. Houdelette, Chairman  
Vincent Malkoski, Vice Chairman  
Peter Wallace, Clerk  
Carleton Burr, Jr.  
Scott Cowell  
Eivind Strand

**Report of the  
BIRD ISLAND LIGHTHOUSE RESTORATION COMMITTEE**

To the Honorable Board of Selectmen

Throughout 2016, between the Marion Natural History Museum's Afterschool Program and Marion Recreation's Summer Camp we made multiple trips to the island. During the spring and fall trips participants have the opportunity to go ashore and into the lighthouse while summer participants enjoy the island from the water as a result of the islands "very protective" tern population. We will continue looking at ways to better facilitate public access to the historic island and nearly 200 year old Bird Island lighthouse.

Early 2016 saw the construction begin on the seawall. Over the first few months of the year the Contractor was able to construct the majority of the nearly 1000' wall. Throughout Fall and into early 2017 the wall was completed and elevations on the island brought up to the base of the lighthouse. This has been a project that has its roots going back to the early 2000's. This new seawall and fill will provide the island and 198 year old lighthouse with much needed protection from summer and winter storms for many years to come.

The Committee and I continue to move forward with maintenance and restoration projects. I would like to thank the Marine Resources Committee and the Harbormaster Crew for their dedication and support for our ongoing projects. I look forward to working with everyone in the upcoming season.

Respectfully Submitted,

Isaac W. Perry, Harbormaster  
Stephen Gonsalves  
Jeff Doubrava  
Joseph Keogh  
Douglas H. Watson

**Report of the  
ENERGY MANAGEMENT COMMITTEE**

The biggest success story this year was the Town's leasing of four electric vehicles for use by various Town Departments and Boards. Part of the leasing process included the installation of four charging stations in town. The charging stations are located at the Town House, the Atlantis Drive facility, the Waste Water Treatment Plant, and the Harbormaster. They are for town and public use. With incentives, the cost to lease the cars is essentially zero, avoiding the costs to operate and maintain four hand-me-down police cars while at the same time creating income by their sale.

This year also saw the completion of construction and initial operation of the Future Generation Wind project site in Plymouth. Marion will benefit due to our Power Purchase Agreement with the project; it is projected that the Town's electrical bills will be reduced by 20 to 30%. A Town Meeting Article to set aside 50% of the savings into an account to fund future energy and sustainability projects was defeated.

The Clean Energy Corporation (CEC) solar energy project off of Tucker Lane was permitted and constructed and has started producing energy for its subscribers. We invited a CEC representative to a meeting to discuss their business model to determine if we should consider some sort of partnership that would benefit Marion residents. After much discussion it was determined that it would be better for individual residents to participate without Town involvement.

The Town's project to install solar arrays on top of the capped landfill has been at a standstill. The chosen developer has been working with Eversource for connection to the grid. Our project must connect to a power substation in Mattapoisett that must also support two large solar array projects in Mattapoisett that must be upgraded to handle the increased power load. Eversource is making glacial progress in the design of the upgrade. We still do not know when the substation will be upgraded or how soon they will be able to give our project a grid connection. Energy Management Committee (EMC) members have contacted Senator Pacheco requesting help resolving the situation.

The Energy Management Committee (EMC) was one of the sponsors for a June public presentation addressing the potential impacts of Climate Change for Marion residents. The presentation was well attended and provided important information. We anticipate additional public education presentations will be presented in the future.

One EMC member conducted an extensive analysis and investigation of the potential for replacing the Town's street lights with LED lights. After much discussion, we were unable to determine if the town would benefit from a change over. A report was submitted to Judy Mooney.

The EMC has contributed information to the ongoing Master Plan work.

We continue to work with the Town to implement the Energy Insight program to help collect and manage the Town's energy use for buildings and vehicles. We are getting consolidated billings from Eversource, but they have been found to be incorrect. Eversource has failed to make proper adjustments in their statements making it difficult to put MA Energy Insight into effect.

The EMC looks forward to further progress in its efforts to combat climate change and encourage energy conservation in the coming year.

Respectfully submitted,

David Pierce, Chairman  
James M. Bride  
Robert D. Fisher  
Jennifer Francis  
Norman A. Hills  
Eileen Marum  
William G. Saltonstall, Jr.

## **Report of the CONSERVATION COMMISSION**

"Considering the whole span of earthly time... Only within the moment of time represented by the present century has one species – man – acquired significant power to alter the nature of his world."

— *Rachel Carson*

To the Honorable Board of Selectmen:

During the year ending December 31, 2016, the Marion Conservation Commission issued:

- 19 Orders of Conditions
- 41 Determinations of Applicability
  - 4 Extensions to existing Orders
  - 2 Amendments to previously approved Orders
- 12 Certificates of Compliance
- 5 Enforcement Orders

These documents were written and approved at the 24 meetings held by the Commission during the year. Prior to each meeting, Commission members conducted more than 112 Saturday morning site inspections in support of the meeting agenda or for inspection of potential violations. The meetings and site visits represent over 900 hours of volunteer service this year.

There were three Commission membership changes this year: Cynthia Callow was named Chairman, Kristen Saint Don was appointed as an Full Member after the resignation of Stephen Gonsalves, and Shaun Walsh was appointed as an Associate Member. The Commission's Administrative Assistant, Donna Hemphill, continues to provide the Commission with superb support.

Again this year members of the Commission attended training sessions and conferences held by the Massachusetts Association of Conservation Commissions (MACC) to expand their knowledge of State requirements, emerging environmental issues, and administrative processes. The Commission continues to work with applicants to be sure that proposed projects adhere to the Wetlands Protection Act (WPA).

Notable projects that the Commission reviewed this year include:

1. Bird Island Ecological Restoration – The MA Department of Fisheries and Wildlife has initiated a project to restore the nesting habitat for state and federally listed terns (Roseate Tern and Common Tern) at Bird Island. The rebuilding of the protective seawall and renourishment of the nesting beach is anticipated to finish next Spring.
2. The Sippican Land Trust proposal for a handicapped accessible trail to the Osprey Marsh property was approved. This will be the first project of its kind in Massachusetts.
3. Aquaculture – Proposed aquaculture projects continue to be submitted for review.
4. This year has seen a rise of Enforcement Orders as a number of projects have been unilaterally initiated by property owners without first receiving the required approval and conditioning from the Conservation Commission.

5. Miscellaneous

- a. The Town's action required to resolve the unauthorized seawall at Sprague's Cove continues to evolve with permission received from the U.S. Army Corps of Engineers in early December.
- b. An Amended Order of Conditions was issued for the restoration of the storm damage at the Grassi Bog. However, MOSAC is awaiting a new cost estimate before proceeding with the repairs.
- c. The Pathways Committee received an Order of Resource Area Delineation for the proposed Bike Path. This approved is strictly for the approval of the wetland delineation. A Notice of Intent will be filed when work is proposed.

Respectfully submitted,

Cynthia Callow, Chairman  
Jeffrey Doubrava, Vice Chairman  
Norman A. Hills, Clerk  
Joel D. Hartley, Member  
Kristen Saint Don, Member  
Lawrence Dorman, Associate Member  
Shaun Walsh, Associate Member

Veterans Day 2016, photo by Robert Pina

## **Report of the Mattapoissett River Valley Water District**

The Mattapoissett River Valley Water District (District) was formed in 2004 to construct and operate the six million gallon per day (mgd) Mattapoissett River Valley Water Treatment Facility (MRVWTF). The District is comprised of the Towns of Fairhaven, Marion, Mattapoissett and Rochester. The treatment facility, located in Mattapoissett, began operations in 2008.

The MRVWTF treats raw water from eight municipal water supply wells owned and operated by the District Towns. The sources include three Mattapoissett wells, one Marion well, and four Fairhaven wells, which are located in Mattapoissett and Rochester. Treatment at the facility includes oxidation with ozone followed by membrane ultrafiltration with Koch membrane filters for the removal of iron and manganese. The finished water is treated to adjust the pH for corrosion control.

2016 represented the ninth year of operation of the MRVWTF. The plant processed 687 million gallons of water during the year. The FY17 operating budget for the plant is \$2,007,500 which represents an increase of approximately 1.2% over FY16. The major expenses include power, labor, chemicals and equipment replacement identified in the annual capital improvement plan.

The MRVWTF operated well throughout the year. Routine annual maintenance was performed on major components of the MRVWTF, including ozone, cleaning of pre-filters, and meter testing. The District completed upgrades to the existing MRVWTF SCADA System, including hardware and software upgrades. Staff training was completed for the new SCADA System operation, and the plant is operating on the new system.

A drought advisory for Southeastern Massachusetts was issued by the Secretary of Energy and Environmental Affairs in July 2016, and upgraded to a warning status in August, 2016. In response, District Towns implemented outdoor water use restrictions identified in their Water Management Act Permit. As of December 2016, drought warning is still in effect, and District Towns continue to monitor drought status and implement outdoor water use restrictions.

Reorganization of District officers was required in 2016, due to the retirement of Jeffrey Osuch and William Nicholson. Mr. Pierce was appointed Chairman, and Mr. Furtado was appointed Vice Chairman. Laurell Farinon and Paul Silva retained their current positions of Secretary and Treasurer, respectively. The Fairhaven Town Administrator, Mark Rees, joined the District Commission representing the Town of Fairhaven, and Mattapoissett Water and Sewer Superintendent, Henri Renauld, joined the District Commission representing the Town of Mattapoissett. Barry Denham also resigned in 2016, and William Nicholson was re-appointed a District Commission member representing the Town of Mattapoissett.

Respectfully submitted

## **Report of the Mattapoissett River Valley Water Supply Protection Advisory Committee**

### History and Purpose of MRVWSPAC

The Mattapoissett River Valley Water Supply Protection Advisory Committee (MRVWSPAC) was established in 1980 by the towns of Fairhaven, Mattapoissett, Marion and Rochester. The organization grew out of a concern for the aquifer underlying the Mattapoissett River watershed, from which all four towns draw water supplies. Special legislation was enacted in 1983 (Chapter 407) formalizing the Committee.

The MRVWSPAC is made up of three (3) representatives from each town for a total of 12 members. The MRVWSPAC holds public meetings on the second Tuesday of every month at 3:30 p.m. at the Fairhaven Board of Public Works in Fairhaven.

### Mattapoissett River Valley Aquifer

The Mattapoissett River and its aquifer provide fresh water for water supply, recreation and agriculture to portions of the entirety of five communities in Bristol and Plymouth Counties in Massachusetts. In 2016, our aquifer supplied approximately 2.3 million gallons per day for domestic and commercial users in the towns of Mattapoissett, Fairhaven, Marion and Rochester. A drought advisory for Southeastern Massachusetts was issued by the Secretary of Energy and Environmental Affairs in July 2016, and upgraded to a warning status in August 2016. In response District towns implemented outdoor water use restrictions identified in their Water Management Act Permit. As of December 2016, drought warning is still in effect, and District towns continue to monitor drought status and implement outdoor water use restrictions.

### **Summary of 2016 MRVWSPAC Accomplishments**

- Permanent Protection of Land in River Valley: Voted approval of \$11,458.94 towards permanent protection of the 114-acre Tinkham Woods Project in Mattapoissett. The property is 100% within the Zone II Aquifer and has 3,700 linear feet of frontage on the Mattapoissett River.
- Environmental review of projects in the Mattapoissett River Valley:
  - Reviewed plans for projects within the watershed and sent comment letters to respective planning boards in Mattapoissett and Rochester
- Mattapoissett River Monitoring/Protection:
  - The Towns of Fairhaven and Rochester adopted surface water protection by laws that prohibit surface water withdrawals into any tank vehicles
  - Monitored stream flow and water levels in numerous locations along the Mattapoissett River. Maintained a database of critical water level data.
  - Funded Annual Mattapoissett River Hydrologic Monitoring Report

The MRVWSPAC was saddened by the resignation of longtime members Jeff Osuch, Naida Parker and Barry Denham, and welcomed new members Mark Rees and Henri Renault.

David Watling took over MRV monitoring and data collection when Elizabeth Leidhold resigned.

The MRVWSPAC wishes to recognize the members of its consulting team for their excellent work and contributions in 2016:

Tata & Howard	Lead environmental consultant
Elizabeth Leidhold	Mattapoisett River Valley monitoring and data collection
David Watling	Mattapoisett River Valley monitoring and data collection
Meagan McCarthy	Data reduction and graphing
Nettles Design	MRVWSPAC website management

Respectfully submitted,

**Fairhaven Committee Members**

Vinnie Furtado, Chairman  
Mark Rees

**Mattapoisett Committee Members**

Daniel W. Chase  
William T. Nicholson  
Henri Renault, Vice Chairman

**Marion Committee Members**

Rob Zora  
David Pierce, Treasurer  
Paul Dawson

**Rochester Committee Members**

Laurell J. Farinon, Clerk  
Sandy Keese  
Fred Underhill

## **Report of the OPEN SPACE ACQUISITION COMMISSION**

**Our Task:** The primary task of the Open Space Acquisition Commission is to acquire open space. These purchases must fit some stated need and respect the financial contribution that has been made by the taxpayers. We will not buy just anything, and we will not waste your money by overpaying.

**Our Strategy:** We try to form a financial partnership on larger purchases to get more value for your dollars. This could mean direct grants to the town, participation with other conservation groups, or a bargain sale. Since the creation of the Open Space Acquisition Commission in 1999, we have partnered with the Commonwealth of Massachusetts, United States Department of Agriculture, Sippican Lands Trust and The Trustees (formerly the Trustees of Reservations.) Since we first started working with other groups, we have received more than \$1,000,000 in grants to help reduce the cost of open space purchases to the town. In 2016 we received a grant for over \$10,000 for work at Grassi Bog (described below).

**Current Open Space Status:** When we talk about permanently protected open space, we are talking about land owned by private, public and nonprofit owners that has been dedicated to such uses as conservation or recreational use by deed. Also included is land owned by a non-profit land trust; or if the town received federal or state assistance for the purchase or improvement of the property. Today of the 9,007 acres of land in Marion, 3,476 are permanently protected open space.

Marion ownership of permanently protected open space is quite diverse. Those groups managing/owning open space include:

- Board of Selectmen
- Charles Washburn Memorial Trust
- Commonwealth of Massachusetts (Division of Fish and Game)
- Conservation Commission
- Marine Resources Commission
- Open Space Acquisition Commission
- Recreation Commission
- Sippican Lands Trust
- The Trustees (formerly The Trustees of Reservations)
- Water & Sewer Commission
- Wildlands Trust

Private land is considered protected if it has a deed restriction in perpetuity, if an Agriculture Preservation Restriction (none in Marion) has been placed on it, or a Conservation Restriction has been placed on it. Conservation Restrictions in Marion are held by an equally eclectic group of organizations (listed below):

- Buzzards Bay Coalition
- Commonwealth of Massachusetts (DEP)
- Commonwealth of Massachusetts (DFW)
- Conservation Commission
- Debt for Nature (United States Department of Agriculture)
- Open Space Acquisition Commission
- Sippican Lands Trust
- The Trustees (formerly The Trustees of Reservations)
- Wildlands Trust

The Open Space Acquisition Commission holds title to 629 acres. The largest parcel is the 282 acre Hales Brook Reservation (<http://www.thetrustees.org/places-to-visit/south-coast/hales-brook-and-sippican-river.html>) which is managed by the Trustees at no cost to the Town. The next largest, and perhaps busiest, parcel is the Washburn Park Conservation Land (97 acres), which is used heavily by the dog walking community.

Links to trail maps for those and other open space parcels can be found online at [http://www.marionma.gov/pages/marionma\\_bcomm/openspace](http://www.marionma.gov/pages/marionma_bcomm/openspace)

**Financial:** The Open Space Acquisition Commission administers the Marion Land Bank Fund on behalf of the town. This fund is dedicated by state statute to costs associated with the acquisition of land. Any expenditure out of this fund to purchase land must be approved by Town Meeting. Currently the Fund holds \$377,567. We have been following the status of several high end properties that would require funds in excess of \$1,000,000 to acquire. These are multi-partnership endeavors that require some “seed money” to have these projects succeed. Marion’s \$377,567 can be used to leverage a \$443,230 state grant. This amount encourages the participation of the non-profit community.

An example of the type of property, among others, that we are tracking is a 300 acre parcel on Route 6. Preservation of the property would reduce nitrogen inputs into Aucoot Cove, create a 1700 foot green strip along southern entrance to Marion, and protect endangered species. The property also lends itself to improve public access as it provides a link to existing trails on the west, east, and north sides of the property and has an existing parking access.

**Projects:**

**Goldavitz Bog:** In 2016, the Board of Selectmen asked us to do the day to day management of the Goldavitz Bog. This property is located on Old Marion Trail, adjacent to the Sippican Lands Trust Aucoot Woods complex. We were able to partner with the Sippican Lands Trust to improve the perimeter trails around the abandoned cranberry bog and thin out the old blueberry patch. The site has adequate parking and a trail map is available at [http://www.marionma.gov/Pages/MarionMA\\_BComm/Goldavitz.pdf](http://www.marionma.gov/Pages/MarionMA_BComm/Goldavitz.pdf)

**Grassi Bog:** This property is located off of Mill Street (Route Six) just north of Sparrow Lane. An unexpected upstream release of water washed out most of the newly installed water control structures in 2014. 2016 was spent finalizing designs and pursuing grants to get the repair work done at no cost to the taxpayers. We were successful in getting grants totaling over \$70,000 to get the repairs done in 2017. (Thanks to Emmanuel da Costa and Amanda Chase for grant writing assistance on the Buzzards Bay National Estuary Program grant.) This site has adequate parking and bridges over the flumes will be installed in 2017 to make it easier to walk the loop trail.

**Bike Path:** Although the Open Space Acquisition Commission is not actively involved in the planning and engineering for the bike path (see report of the Pathway Committee), we are pleased that the years of quiet acquisition of the many parts of the bike path route has finally been completed. We look forward to completion of the bike path as it will provide easy to use access to over 1500 acres of permanently protected open space.

**Planning:** We anticipated sending out an Open Space Community Survey in 2016. Due to requests and comments by Planning Board Master Plan members we will delay this survey to 2017.

**Web Page Additions:** In 2016 we were able to produce a draft list of all Conservation Restrictions in Marion, and started on a description of our properties. These will be posted on our webpage as they become final.

We also made a draft of a “Flora and Fauna” list for Marion. As we would like this to be used to report sightings, we have not yet decided on the correct web platform for this.

If you have any questions about anything related to open space please feel free to email us at [openspace@marionma.gov](mailto:openspace@marionma.gov), or email/call one of the individual members.

Respectfully submitted,

John Rockwell, Chairman  
Joseph Keogh  
Jeffrey Oakes  
Randy Parker

**Report of the  
COMMUNITY PRESERVATION COMMITTEE**

To the Honorable Board of Selectmen:

At the May 2016 Town Meeting the CPC recommended two separate Articles for Community Preservation Act funding:

1. \$65,000 to purchase an interest in land within the Town of Mattapoisett that would protect Marion's public drinking water supply.
2. \$111,950 for the purpose of replacing and restoring the historic windows at the Pythagorean Hall.

Both articles were approved.

Also approved was an Article to provide \$2,000 of FY17 funding to the Community Preservation Committee for administrative purposes.

Respectfully submitted,

Randy L. Parker, chairman  
Margherita Baldwin  
Jeff Doubrava  
Stephen M. Cushing  
Amy Wolfson  
Mike Popitz  
Pete Smith

## CAPITAL IMPROVEMENT PLANNING COMMITTEE REPORT TO SELECTMEN February 13, 2017

The Capital Improvement Planning Committee (CIPC) works with the Town's Department Managers to review capital projects and improvements. Each year, during the development of the annual budget for approval by Town residents, the plan is updated based on new or revised plans and provides a forecast for current and future capital needs. The CIPC also makes periodic site visits to Town locations to further understand their capital plans and needs. Site visits this year included the ORR Junior High and High School, the Atlantis Dr. building, Fire Station #1 and the DPW Maintenance Garage on Rt 6.

This year the CIPC welcomed two new members, Steve Nojeim and Julia Olsiewski, replacing Norm Hills and Ted North who were founding members of the group. We thank them both for their long-standing service to the Town. The Committee also participated in two quarterly Department Managers meetings with the Selectmen, Finance Committee, Finance Director and Town Administrator to discuss ongoing and future activities. In addition, the CIPC met with the ORR School District Superintendent, Dr. Douglas White, and his staff. Their inclusion in the planning process provides valuable visibility to our Capital needs, besides the annual information we receive from our Facilities Director at Sippican School.

Nineteen projects totalling \$3.7 million were submitted to the CIPC by the Town's Department Managers for FY18. The CIPC rated and ranked each project based on regulatory requirements, public safety, Department priority, equipment replacement, cost reduction, finance cost and useful life. Attachment 1 contains the rating results for FY18. Typically not every capital project is placed on the Town Warrant. Instead, the CIPC ranking report provides an impartial perspective for the Finance Committee, Finance Director and Town Administrator as they develop a balanced budget for the fiscal year.

The top five ranked projects FY18 are:

Capital Project	FY 2018 (000's)	Funding Source	Notes	Rank Overall
WWTP Equip't & Reliability Upgrades	\$1,900	Sewer Enterprise	Upgrades must be done regardless of NPDES Permit status	1
Turn-out Gear Phased Replacement	\$18	General Fund	10 yr life, will replace 5/yr every 2 years	2
Radio "Repeaters" Upgrade	\$37	General Fund	Includes Fire Dept; old equip't outdated	3
Repaving	\$450	Chapt.90 State Funds	Point Rd, Joanne Dr, Creek Rd, Jenna Dr, Spring St	4
County Rd Water Main Replacement	\$155	Water Enterprise	Design only, replacement in F19	5

It's important to note that what's missing is full compliance with the NPDES Sewer Discharge Permit as recently proposed by the EPA. It's unclear at this time the final outcome of this issue and the DPW has requested funds to seek alternative solutions for compliance. We have, however, added a conservative estimate of the potential impact of compliance in future years on the 10 Year Plan.

Also missing from our list for FY18 is the Town House Project. At the time of this writing, it is unclear whether the Project will require capital in FY18. We have, however, included a Placeholder in our 10 Year Capital Plan, recognizing that capital spending will likely occur within that horizon.

We estimate that the funding sources of the nineteen projects would be as follows:

Funding Source	General Fund	Water Enterprise	Sewer Enterprise	Waterways Account	New Debt	Chapter 90
Amount (000's)	\$740	\$155	\$2,285	\$60	\$0	\$450

Attachment 2 is the projected 10 Year Capital Plan that is updated each year based on the submissions from the Town Department Managers.

Respectfully,

Paul Naiman - Chair  
Steve Cushing  
Steve Nojeim  
Carol Sanz

Casey Barros - Secretary  
Dick Giberti  
Julia Olsiewski

Attachment 1 FY 2018 Capital Improvement Committee Project Rankings					Rank Overall
Capital Project	FY 2018 (000's)	Funding Source	Notes		
WWTP Equipmt & Reliability Upgrades	\$1,900	Sewer Enterprise	Upgrades must be done regardless of NPDES Permit status		1

## **Marion Tree and Parks Committee Annual Report 2016**

The Marion Tree and Parks Committee continues every year with its mission to care, maintain and plant street trees in the town. In addition we maintain 6 parks: Old Landing, Harbormaster, Sippican School Children's Garden, Island Wharf and Washburn Park. We work with different contractors as well as the Town DPW and Recreation Committee. We have a budget of \$10,000 for trees and \$10,000 for parks and pretty much spend that every year.

This year we once again handed out tree saplings at the voting polls in honor of Arbor Day. Often people remark how their seedlings from years past have grown so well. In fact the Christmas tree in the Bicentennial Park is from a seedling handed out years ago.

We will also be watching for moths this spring and have in reserve \$10,000 which was voted on at last year's Annual Town Meeting to cover spraying on the major roads in town. I am told by several arborists that this year we will more than likely be using those funds. The Town will be notified when this happens.

In the interim our committee remains dedicated to furthering our efforts and educating the citizens as to the benefits of trees in our community.

Thank you on behalf of our committee:

Margie Baldwin

## **Report of the MUSIC HALL ADVISORY COMMITTEE**

The Music Hall Advisory Committee increased its membership to better reflect the interests of the committee and the needs of the Town of Marion. Lynn Crocker, interior designer, Frank McNamee, President of the Sippican Historical Society and board member of the Council on Aging and Phil Sanborn, Music Director at Tabor Academy and Conductor of the Tri-Town Symphonic Band joined our committee in 2016. Lynn and Frank have been instrumental in the restoration of the Reading Room. All three are engaged in improving the acoustics of the Main Hall and making the stage a more appropriate venue for musical events. We thanked Steve Cushing, Selectman, for his service to the committee and welcomed Jody Dickerson as our Selectman representative.

In the fall, we held a luncheon to honor Sheila Converse's long service to the committee. We also celebrated Phyllis Washburn's service as committee chair with a tea and the dedication of a lovely teak bench in her honor which will be installed at the entrance to the Music Hall this spring.

We formalized the relationship between the Town of Marion and Sippican Historical Society by amending and renewing the Endowment Agreement stipulated by the Angel Donor in 1995. This agreement is central to the success of the public private partnership between the Town and the Historical Society.

The Council on Aging continues to expand its use of the Music Hall with programs that now occur five days a week. It is a real pleasure to see so many of Marion's Seniors participating in an increasing number of activities.

The Reading Room furnishings and the landscaping were completed and WiFi was installed. We also received a grant from the Lower Village Development Fund for landscape maintenance.

We continue to work on updating the Guidelines and the Rental Fees. We hope to increase the use of the Music Hall and make it more sustainable financially. We also will remember that Elizabeth Taber, Marion's benefactress, wanted the Music Hall to be accessible to all of Marion's residents.

The Music Hall is used for a wide range of events including meetings of municipal boards and private organizations, community occasions, wedding receptions, and private parties. Over the past year privately sponsored community events have included concerts, Oktoberfest, yoga and sound healing, and the Marion Antique Auction.

Margo and I would like to thank all the members of our committee for another successful year. Special thanks to Tami Daniel, our coordinator and Shaun Cormier, Facilities Manager, for their able and cheerful service.

Sincerely,

Christina Bascom, Co-chair  
Margot Stone, Co-chair  
Casey Quirk, Secretary  
Lynn Crocker  
Clare Healy Foley

## **REPORT TO THE TOWN OF MARION FROM THE COMMISSIONERS OF THE SOUTHEASTERN REGIONAL PLANNING & ECONOMIC DEVELOPMENT DISTRICT (SRPEDD)**

The Town of Marion is a member of the Southeastern Regional Planning and Economic Development District. SRPEDD (pronounced sir-ped) is the regional agency serving twenty-seven cities and towns in southeastern Massachusetts dealing with common issues facing our region, such as economic development, growth and land development, transportation, environment, municipal partnerships, and general planning for the future. SRPEDD is governed by a Commission of local mayors, selectmen, planning board members and at large members. We are funded by federal and state grants and local assessments. For 2016 the Town of Marion paid \$853.57 to SRPEDD, based upon an assessment of \$0.17395 cents per capita.

Local citizens serving at SRPEDD included the following:

SRPEDD Commission: Jonathan F. Henry (Commissioner Chair) and Eileen Marum  
Joint Transportation Planning Group: Jonathan Henry

Jon Henry is an Officer and member of the Executive Committee as Chairman. He also serves as Ex-Officio to the Finance Committee; and as SRPEDD's representative to the JTPG Committee.

Technical assistance was provided to the Town in the following areas:

- Assisted Planning Board on finalizing the Master Plan with meetings, revisions and formatting on final document. (Municipal Assistance)
- Continued assistance with technical support for functional class reclassification of County Road including Rochester and Wareham. (MassDOT)
- Conducted RTE 105/Spring Street Crosswalk Evaluation to assess the need for improved pedestrian safety and connectivity. (MassDOT)
- Continued assistance to South Coast Bikeway Alliance (Marion represented) with mapping, funding guidance, route planning, and sign design. In addition, the Bikeway Alliance worked with East Coast Greenway Alliance to develop a plan for wayfinding signage including inventory of existing signage and identifying future new sign locations. (MassDOT)
- Conducted traffic counts on Front Street (RTE 105), east of Rochester town line, south of Village Drive and south of Wareham Road; Mill Street (RTE 6, NB), north of Mattapoisett town line, Mill Street (RTE 6, SB), north of Mattapoisett town line; Wareham Road (RTE 6, EB), west of Wareham town line; Wareham Road (RTE 6, WB), west of Wareham town line; I-195 EB and WB ramps at Front Street and, Wareham Road (RTE 6) at Front Street (RTE 105) and Point Road. Traffic counts requested in association with the Marion Master Plan. (MassDOT)
- Provided town with technical assistance on Marion Pathway Project. (MassDOT)

Some of SRPEDD's more significant accomplishments during 2016 were:

- The **Transportation Improvement Program**, which sets regional priorities for federal transportation funds, was completed and approved for FY 2017-2021.
- **Comprehensive Economic Development Strategy (CEDS) for Southeastern Massachusetts**, a regional economic development strategy, updated annually by SRPEDD and certified by the U.S. Economic Development Administration (EDA) maintains eligibility for the region's cities and town to receive EDA funding.
- SRPEDD continued to provide administrative and technical support to the **Taunton River Stewardship Council (TRSC)** through a Cooperative Agreement with the National Parks Service. The Council is a multi-community, multi-agency collaborative established through the designation of the Taunton River as a Federal Partnership Wild & Scenic River in 2009. In partnership with the TRSC, SRPEDD provides public education and stewardship opportunities to Taunton River Watershed communities, as well as access to local project funds through its Mini Grants Program.
- SRPEDD provides technical planning to two regional transit authorities, **SRTA and GATRA**, including route evaluations, rider surveys, performance standards and federal reporting. SRPEDD completed a Regional Transit Plan for GATRA that will guide transit improvements in the near future.
- SRPEDD finalized its **Regional Bicycle Plan**, including a thorough inventory of existing bicycling conditions and statistics, outreach to the public and communities regarding infrastructure needs, and recommendations on how to improve connectivity throughout the region.
- SRPEDD completed the **Regional Bus Stop Inventory** for all bus stop locations within the SRPEDD region for the GATRA and SRTA. Data collected for each stop will provide assistance toward a Bus Stop Capital Improvement Program to begin in 2017.
- SRPEDD conducts a **district-wide traffic-counting program** and maintains a computer file of available traffic count data throughout the region. SRPEDD undertook 144 traffic counts at various locations this past year.
- SRPEDD maintains a comprehensive database of all 372 **signalized intersections** in the region and conducted 56 turning movement counts at various locations this past year.
- **South Coast Rail** remained a major priority in 2016. SRPEDD continued to support the Southeastern Massachusetts Commuter Rail Task Force, which includes representation from SRPEDD municipalities and regional organizations. SRPEDD also provided technical assistance to communities through 17 projects that implement the South Coast Rail Economic Development and Land Use Corridor Plan.
- SRPEDD is a member of two National Estuary Programs (NEP) including the **Narragansett Bay Management Committee and Buzzards Bay Steering Committee**, created to protect the resources and promote the stewardship of their respective watersheds. The Buzzards Bay and Narragansett Bay Watersheds together encompass the entirety of the SRPEDD area. As a member of these oversight committees, SRPEDD participates in the development of their respective Management Plans for both programs.
- SRPEDD has been providing technical assistance to the **South Coast Climate Change Coalition** whose mission is to increase public awareness of the probable consequences of climate change, help communities incorporate resiliency planning, and take actions that help communities adapt to and minimize the consequences of climate change.

- SRPEDD continues as the lead agency for the **Resilient Taunton Watershed Network (RTWN)**. The RTWN is a collaborative of local, non-profit, regional, and state and federal government representatives interested in the future health and resilience of the Taunton River Watershed. The RTWN provides information, conducts outreach and educational efforts, resources and tools to protect existing natural resources, reduce flooding, promote restoration, and develop sustainability. (EPA)
- SRPEDD is a member of the Board of Directors of **Southeast Environmental Education Alliance (SEEAL)**. SEEAL is a non-profit organization whose mission is to help provide quality environmental education and stewardship opportunities to communities in southeastern Massachusetts. SEEAL runs a Mini-Grants Program to support local projects in addition to projects that address climate change, alternative energy, urban agriculture and youth conservation education.
- SRPEDD maintains an extensive **Geographic Information System (GIS)** mapping program. The mapping program contains a number of data layers including, land-use, zoning, water resources, soils, habitats, transportation network, economic development, priority protection and priority development areas, and other data and information.
- SRPEDD operates the **Southeastern Massachusetts Data Center**, providing information to businesses, cities and towns, and individuals.
- SRPEDD continues to represent the region as one of thirteen members across the Commonwealth of the **Massachusetts Association of Regional Planning Agencies (MARPA)**. Through its efforts and information exchange, the association assists member RPAs in responding to issues and needs that cross city, town, county, and state boundaries through planning, policymaking, communication coordination, advocacy, education, analysis, technical assistance and legislative support.

SRPEDD was established to serve the cities and towns of southeastern Massachusetts in response to ever-evolving planning-related issues and needs. The agency is governed by dedicated elected and appointed officials from each of its twenty-seven member municipalities (four cities and twenty-three towns), with planning services and technical assistance provided by a staff of twenty-three.

It has been a privilege working with your municipality over the years, and we look forward to continuing service and future collaborations.

## **Report of the ELIZABETH TABER LIBRARY**

The Elizabeth Taber Library continues to be a vibrant center that both welcomes and inspires lifelong learning, access to information, and programs that enrich the community. This is our mission statement which reflects our work throughout the past year making our library the focal point of the Marion community.

### Items circulated in 2016 and other statistics:

Books, DVDs, CDs, Magazines: 39,117  
Overdrive eBooks: 2,158  
Overdrive Audiobooks: 758

Total registered borrowers: 3,898

213 Marion library patrons were added

Physical items added to the collection: 2,209

Our Summer Reading Program, “On Your Mark, Get Set, Read!” was an enormous success. 104 programs were provided for children ages 12 and under with a total participation of 2,628 in attendance. Thank you to the local businesses that donated gift certificates as reading incentives for the children. Also, many thanks to the businesses that helped to support our summer reading program with supplies and ice cream. Story times were offered throughout the year for 0-5 year olds. These programs were consistently well attended. In October, we held a cartooning workshop that was very popular. Due to the generosity of the Island Foundation, we were able to host a henna designs program for teens.

The Annual Summer Book Sale this year was a great success thanks to our dedicated volunteers. In addition to our book sale fundraiser, we hosted a sunset canal cruise in September out of Sippican Harbor. Thank you to all that attended and supported the library. It is through the support of generous individual and corporate donations that we are able to continue to offer many free programs and services to the community.

We continue to offer our online resources such as InstantFlix (streaming movies), Universal Class (online education classes), and Zinio Digital Magazines. However, this year we were able to add:

- A to Z World Travel - over 200 world city travel guides online
- Axis 360 – providing access to more eBooks and audiobooks
- Novelist -- an online tool to find your next great book

All material is free to our patrons with the use of their Marion library card.

Patrons can reserve and check out these passes from the Elizabeth Taber Library for discounted admissions:

DCR Parks Pass  
Heritage Museums and Gardens (new as of 2016)  
Museum of Fine Arts  
Mystic Aquarium (new as of 2016)  
New Bedford Whaling Museum  
Plimoth Plantation Museum  
Roger Williams Zoo

This past year the library offered a variety of enriching programs with wonderful speakers that discussed: climate change, organizing for you and your life, yoga, memoir writing, estate planning, growing garlic, traveling to Cuba, and the presidential election. We also held our ongoing adult programs such as the Mystery Book Club, Afternoon Book Discussion, Adult Coloring, and Drop-in Puzzling. We started a Potluck Cookbook Club and it has been fun to see what people cook for the potluck! We continue to offer technology assistance and patrons can “Book a Librarian” for one-on-one free tech help.

This year, we started a new program that was well received in the community: a bike lending program. The bike lending program would not have been possible without the generosity of Tabor Academy which donated the bicycles and the Marion Police department which donated the helmets.

We hosted our first annual Open House in May with over 40 people attending. We had a children’s craft area for making bird feeders, free play with Legos, and an adult puzzle and coloring activities. Someone from the Boston Public Library was also there to speak about their free online resources.

The Elizabeth Taber Library remains a valuable resource for the community and a haven in which to gather, socialize, and learn. We hope that you’ll visit us soon to enjoy all that the library has to offer.

Sincerely,

Libby O’Neill  
Library Director

Jay Pateakos  
President, Board of Trustees

## **Report of the Marion Natural History Museum**

To the Honorable Board of Selectmen:

It is with great pleasure that we report the Museum is operating in good order and continuing to provide quality environmental education programs for the Tri-town area. Our after-school programs are running at full capacity and we have hosted some very successful evening programs. The Board is grateful for the assistance and support of the Marion Marine and Recreation Departments and the Marion Cultural Council with our after-school, summer, and evening programs.

The Museum Board of Directors expresses our gratitude for and acknowledges the dedicated service of our Director, Elizabeth Leidhold. The Museum could not function without Elizabeth's efforts to create and coordinate our extensive array of programming and manage our collections.

The Museum conducted the following programs in 2016:

### **After-school – Winter/Spring 2016**

- ***Whales of Buzzards Bay*** - Dr. Michael Moore from WHOI discussed the biology of humpback whale and what we may or may not see in Buzzards Bay in years to come.
- ***Gearing up for the Great Backyard Bird Count*** – The GBBC is an important citizen science exercise conducted annually during February. Students explored the resources used by the various organizations that collect the data and investigated other ways to help birds during the winter months.
- ***An introduction to New England archaeology*** – A fascinating afternoon with professional archaeologist Craig Chartier.
- ***Introduction to Ocean Engineering*** - Mark Whelan, an engineer from Lockheed Martin, introduced students to some of the mechanics of propulsion, steering, and other engineering principles.
- ***The power of pollinators*** – Naturalist and environmental scientist Merilee Kelly develops gardens specifically designed to draw in our native pollinators and shared plants and her expertise to teach how to help our winged friends.
- ***Trip to Bird Island*** – with the Marion Harbormaster's office. Bird Island has been undergoing some work to improve nesting habitat for our endangered shorebirds such as the Roseate Tern.
- ***May 25: Soda Bottle Rockets*** – An exciting program on the mechanics of rocketry with Dr. William (Toby) Dills.

**Summer 2016** – In order to explore new programming opportunities, the Natural History Museum's Summer programming was redesigned for 2016. We're still evaluating the success of this effort with an eye toward 2017.

### ***Nature Explorers Week 1***

***Aucoot Beach*** - Introductory games, looking at mud flat and salt marsh ecology

***Munn Property*** – Learning about shellfish and aquaculture in Buzzards Bay

***Nasketucket State Park*** - Learning about and exploring the state park

***Ned's Point Lighthouse*** - Tour of the lighthouse with Coast Guard  
***River Road Pump House*** with wildlife naturalist Jennifer Carlino - wildlife tracks and sign

***Nature Explorers Week 2***

***Reservation Beach*** - Shellfish and seaweeds

***Birds of Mattapoissett*** with Nasketucket Bird Club president Justin Barrett.

***Mattapoissett Historical Museum*** - Discovering a little about the history of the town

***Marion Natural History Museum*** - Exploring natural history items collected in the region

***Shipyard Park*** - Meeting with Harbormaster's office, tour of Mattapoissett Harbor

***Wednesday Afternoon Summer Programs:***

***The Birds of Bird Island*** – Learning about the coastal birds which rely on this unique island habitat and a trip to the island.

***Summer Star Lab*** – Exploration of summer constellations with the Museum's Star Lab portable planetarium including identification of some of the features of our nighttime summer skies.

***Children's Nature Journaling Workshop*** - Learning the art of observation with Artist and Naturalist Tricia Cassidy. Students made a small sketch book and then went outside to learn different ways to observe and draw from nature.

***Making Artwork from Nature*** – Students collected interesting objects during a hike around town, and used them to create their own masterpieces here at the museum.

**After-school – Fall 2016**

- ***Fall Trip to Bird Island*** –Students had the opportunity to view the now-empty nesting boxes used by the terns over the spring and summer months, access the Lighthouse to view the bay, and learn about the history of Bird Island from the Marion Harbormaster.
- ***Insects with Donna Bernier*** - Donna introducing the students to the wonderful world of these fascinating and important little creatures.
- ***Rock-Hound 101*** – Geologist Jim Pierson discussed the characteristics of rocks and minerals from the museum's collections as well as his own.
- ***Cranberries*** - Dawn Gates-Allen of the Cape Cod Cranberry Growers Assoc. introduced students to the life of a bog-owner and the many ingredients that go into providing this important fruit.
- ***Nature Crafts*** – During the museum's annual holiday party the participants had the opportunity to make crafts from recycled and natural materials for gift giving.

The Museum hosted two evening programs in 2016. In April, the Museum welcomed author, geologist, and stone wall enthusiast Robert Thorsen. Professor Thorson presented an overview of New England's historic stone walls, explaining why they are the signature landforms of the region, and why they convey to us such a visceral sense of place. Later in June, Marion's own Dr. Greg Skomal of the Massachusetts Division of Marine Fisheries presented an informative program on the current status of Great White Sharks in Massachusetts' waters. Dr. Skomal spoke about this animal's historical presence in our area, current trends, and the most recent research techniques being used to study them.

The Museum also wishes to thank Kate's Simple Eats for the donation of delicious pizzas and Jenny Strand for the wonderful "shark" cupcakes.

We will continue to restore and update our exhibits, displays, and programming in 2017.

Respectfully submitted,

Vin Malkoski, President  
Marc Sylvia, Secretary  
David Pierce, Treasurer  
John Cedarholm  
Kellie Crete  
Mike Cronin  
Sarah Porter

## **Report of the MARION CULTURAL COUNCIL**

To the Honorable Board of Selectmen:

In Massachusetts, public funding for the arts, humanities and interpretive sciences originates with the Massachusetts Cultural Council which is a state agency. The Massachusetts Cultural Council (MCC) was formed in 1990 through the merger of two previously separate agencies, the Massachusetts Council of Arts and Humanities and the Massachusetts Arts Lottery Council.

The mission of the MCC is to promote excellence, access, education and diversity in the arts, humanities and interpretive sciences in order to improve the quality of life for all Massachusetts residents and to contribute to the economic vitality of our communities. The MCC receives funding from the State of Massachusetts and the National Endowment for the Arts and then distributes the funds to local cultural councils. The local councils follow and MCC defined public procedure for seeking and approving funding application. In Marion, applications are available online at the Massachusetts Cultural Council website (<http://massculturalcouncil.org/>). The local decisions on allocating the funds are reviewed by the state before the funds are distributed.

As Local Cultural Council (LCC) members are responsible for distributing public dollars, councils need to solicit and collect local public opinion about how to best distribute funds. Marion, like most, councils receive more requests than can be funded, and strong council priorities based on community input help to guide grant making decisions. Knowledge of resources, interests, and needs help councils make difficult decisions and encourage community-responsive proposals.

All LCC's are required to conduct a community input process. LCC's must gather community/public input every three years and report these findings to the MCC. Marion Cultural Council chose to conduct an online survey which allowed the council to collect responses over a one month period of time, that allowed for easily review survey results without accruing any additional cost. [SurveyMonkey.com](http://SurveyMonkey.com) was the free online survey used to collect this data that was available to the public from September 29, 2016 to October 29, 2016.

At the voting meeting on November 10th, 2016 the results of the online survey were discussed. New council priorities and standard were set and agreed upon. These have been published on the Massachusetts Cultural Council website and are listed as followed.

“Marion's number one priority is to promote access to MCC funds to projects that will directly improve the quality of life for those living in and around the town of Marion.

Using data from our community input survey the council will priorities the following when making decisions.

- 1) The grant will directly benefit a significant amount of Marion residence.
- 2) Art education
- 3) Community wide gatherings
- 4) Nature and environmental education
- 5) Projects celebrating local history and cultural diversity
- 6) Projects that offer free or reduced rates to those in need and seniors/residence
- 7) Field trips

Marion Cultural Council does not have the ability to provide locations for grantees. All grantees should provide a location of their event as well as an approximate date. If working with a school or community organization the council requires that the applicant provide a statement of support from said school/organization.”

The Marion Cultural Council met on November 10th, 2016 to evaluate and vote on the twenty-five (25) grant applications received this fiscal year. A total of \$14040.00 was requested; Marion was allotted \$4,400.00 by the State of Massachusetts and had \$1034.00 of funding unused from 2015. After expenses the council had a total of \$5350.00 to distribute to grantees. The council was able to help to support seventeen (17) applicants whose requests we deemed to be most beneficial to our community using the criteria found most significant to Marion residences after reviewing the community input survey.

Upon state review and approval of our decisions, funds will be provided to the Town House Treasurer’s office to be awarded to the successful applicants. Those applicants are as follows:

Applicant	Decision
Marion Natural History Museum	\$500
SouthCoast Children's Chorus	\$200
Rosemary Grey	\$400
Fairhaven Village Militia	\$500
Marion Cub Scouts Pack 32	\$500
New Bedford Symphony Orchestra	\$250
Marion Cub Scouts Pack 32	\$500
Song Keepers, Ltd	\$500
Friends of Old Rochester Drama	\$300
Deborah Stinson	\$500
Sippican Choral Society	\$200
Buzzards Play Productions, Inc.	\$100
Marion Council on Aging	\$400
SE Massachusetts Pine Barrens Alliance	\$100
Peterson, Lennie	\$350
New Bedford Ballet	\$250
Education Center, Soule Homestead	\$100
Marion Art Center	\$200

The following report was sent to the Massachusetts Cultural Council on January 17, 2017 and has been approved.

Municipal fiscal officer: Judith M. Mooney, CGA  
Council representative: Kristen M Saint Don-Campbell

Account Balance Beginning of Period (7/1/2015): \$4,404.59  
State Revenue (FY2016 Allocation): \$4,400.00

Kristen Saint Don-Campbell

## **REPORT ON 2016 SEASON: MARION CONCERT BAND**

The 2016 season of the Marion Concert Band began with five Monday night rehearsals (June 6, 13, 20, 27). As usual, our rehearsals were held at the Marion Music Hall.

The opening concert, scheduled for Friday, July 1, was cancelled due to inclement weather. The series continued with concerts every Friday night at the Robert Broomhead Bandshell at Island Wharf, from July 8<sup>th</sup> through August 26<sup>th</sup>. The program of our first concert on the 8<sup>th</sup> was the patriotic line-up scheduled for Independence Day.

The season included the usual variety of thematic programs, including, movie and TV themes, a Young People's concert and an evening of British band music, featuring an appearance by some members of the Cape Cod British Car Club, LTD. The club is a Massachusetts not-for-profit corporation whose membership annually exceeds 250. While members come from all over the world, most members are residents of southern New England. CCBCC members enjoy driving and displaying their English automobiles. Throughout the year the CCBCC participates in events and raises funds for scholarship purposes.

As was the case with one concert last season, we had one performance that started well, but ended badly, weather-wise. On August 12, the weather was sketchy (dark sky), but the forecast made it appear that a weather system moving in would pass north of Marion. As the opening notes of the national anthem sounded, thunder could be heard from behind the bandstand, north of us, and the clouds were illuminated by lightning. As it turned out, the forecast was wrong. The rain started during our second concert piece and the concert was over at 7:20.

The program that ended early was our Latin-American program, an audience and band favorite. The following week we combined the Latin program with the scheduled Broadway program for an interesting mix of two very different musical themes; and the weather was beautiful!

Featured soloists this season included Mary St. Laurent-Sheehan and Zachary Roberts (trumpet), Wendy Rolfe (piccolo), Tracy Fiore (soprano), Daniel Moniz (clarinet), and for the first time ever, a violin soloist. On July 22, during our movie & TV program, violinist Nicole Laprise played the theme from Schindler's List by John Williams, accompanied by the Marion Concert Band.

Audience attendance has been steadily on the rise since we moved the concerts to Friday nights in 2013, then changed the starting time to 7:00 the following year. Those changes have made the series more convenient for working adults and families with young children. This season, we've consistently had some of the largest audiences in over a decade!

In conclusion, I'd once again like to thank the townspeople of Marion for supporting the Marion Concert Band and for keeping the wonderful tradition of band music alive in the town of Marion.

Respectfully submitted,

Tobias S. Monte  
Music Director, Marion Concert Band

## **2017 ORCTV Annual Report for Marion**

Old Rochester Community Television had another successful year in 2016, with a very strong presence in the Marion community. In addition to our role as the local Government cable access station, ORCTV filmed and broadcast quite number of local events on both our public access channel and through our local educational channel.

This past year found ORCTV filming and cable casting over 100 government meetings in Marion including each meeting of the Board of Selectmen, the Planning Board, The Conservation Committee and The Marion School Committee, as well as special forums on the Town's infrastructure, the Town House and other issues of interest and concern to the residents of Marion. ORCTV also covered both the 2016 Annual Town Meeting in May and the Special Town Meeting held during the month of October. One final service provided by the staff of Old Rochester Community Television, via the Town's government channel was the recording of the annual League of Women Voters Candidates' Night in addition to a series of short promotional pieces recorded for candidates running for various Town offices in the 2016 Town Election.

ORCTV also continued to provide coverage to a number of Marion events throughout the year for our public channel. These events included the Memorial Day Ceremonies and Parade, the Independence Day Parade, The Annual Halloween Parade, Veteran's Day Services and the 2016 Village Stroll during the Christmas season.

Old Rochester Community Television worked with a number of local organizations and groups during 2016, bringing many hours of local produced programs to area viewers. Among the groups from Marion that ORCTV worked with were the Marion Town House Committee, the Elizabeth Taber Library, the Marion COA, St. Gabriel's Church, The Benjamin D. Cushing Post 2425 and Ladies' Auxiliary, The Buzzards Bay Action Committee, Tender Hearts Home Health Care, The Community Baptist Church. The Sippican Historical Society, The Sippican Choral Society, The League of Women Voters, The Board of Health, The Southcoast Children's Chorus, The Marion Natural History Museum and its after school and summer programs.

In 2017 ORCTV looks to continue its work with the schools of Marion, Mattapoisett and Rochester from our studio located in the Old Rochester Regional High School. ORCTV has begun filming events for the ORR School District for the ETV channel. We have featured concerts, plays, educational programs, district school committee meetings and sporting events which are shown daily on the station's educational channel and archived on our Vimeo page.

In all ORCTV cable casted 8,300 hours of programming on our public channel, 4,800 hours of programming on our educational channel and 4,850 hours of programming on Marion's government channel. ORCTV is proud to serve this community as your access media outlet and we hope to continue serving Marion for many years to come.

## 2015-2016 SCHOOL YEAR REPORT

### Introduction

Old Rochester Regional School District and Massachusetts Superintendency Union # 55 serves the towns of Marion, Mattapoisett, and Rochester. The three communities continue to provide the resources that allow students the opportunities to explore and stretch their knowledge and skills. This year students have participated in a variety of project based and hands-on activities which have led to more engagement and high level critical thinking skills. These types of activities are propelling our students to be ready for 21<sup>st</sup> Century job opportunities and careers. Throughout the report there is strong evidence of accomplishments in the areas of academics, the arts and athletics by our students. There are also examples of projects and structural changes that indicate improved infrastructure to our facilities.

### Strategic Goals

2015-16 was the third year of our five strategic plans which identified four goals that continue to be the focal point of the work being done in the school districts. Each goal has a group of educators and community members who meet regularly to ensure that the action steps for each of these important goals are met.

The following provides an overview of the goals and the work that has been accomplished:

- **Meeting the Needs of all Students**

*Strategic Goal #1*

*By June of 2018, we will have embraced a broad and challenging curriculum that fosters the social, emotional and academic growth of all students.*

During the 2015-16 school years, vertical teams consisting of teachers from all districts collaborated to align the science and social studies curricula to the state frameworks. At the high school and junior high department chairs have been reinstated to guide the teaching and learning in each subject area. The number of Advanced Placement offerings at the high school has been increased. More students are exploring the arts resulting in a part-time teacher being hired. Educators and administrators are developing and implementing the work of John Hattie and Robert Marzano to increase the rigor and relevance in all subject areas.

Social and Emotional Learning practices are visible throughout all of the schools in the Tri-Towns. Personnel in all of the schools have embraced the Collaborative for Academic, Social, and Emotional Learning (C.A.S.E.L.) model. The junior high and high school have conducted youth risk surveys to gather data to help define supports and needs of students. These surveys have resulted in curriculum and program implementations (Rachel's Challenge, Drug Story Theatre, elementary health teacher) to assist students with their social and emotional well-being. The Healthy Tri-Town Coalition has provided guidance and resources to help the schools meet the ever changing social and emotional needs of our students. As a result of these efforts, educators are being proactive to address the increased anxiety and stress levels of our students.

- **Relationships**

*Strategic Goal #2*

*By June 2018, we will have developed positive, productive, collegial relationships with all constituencies across the Tri-Town districts to create the environment that fosters student learning*

During the 2015-16 school year the business administrator and administrators in all six schools have developed a five year capital improvement plan that will address infrastructure, technology, facilities, equipment, security, and maintenance issues in each building. This year the plans secured funding to upgrade the entrances at the region and

in Mattapoissett to improve the safety and security of each building. There were upgrades made to the technology infrastructure in all of the buildings. As a result of the work of teachers and administrators, curriculum materials in math, English and science have been upgraded throughout the districts.

As part of this goal the staff and students continue to collaborate with many different stakeholders in the communities to ensure there is a connection between the schools and communities. Some of the events and committees that represent the work of this goal are: Senior Citizen Thanksgiving Dinner, viewing of the “Race to Nowhere” movie, and the development of Healthy Tri-town Coalition, the Early Childhood Council and the Instructional Council.

- **Technology**

- Strategic Goal #3

- By June of 2018 we will have implemented a 21st century comprehensive technology plan focused on 21st century student learning, teacher learning, as well as the infrastructure to support optimal technologic skills for all in our school communities.*

Over the last three years the individuals working on the technology goal has focused on three areas: student learning, teacher learning and infrastructure. Students have had the opportunity to learn about the International Society for Technology in Education (I.S.T.E.) standards, use technology devices in the classroom on a regular basis, and take online assessments using computers. Maker spaces have been created in media centers so students have the chance to explore and be creative using a variety of different mediums. Students annually participate in the Hour of Code. Teachers have taken part in numerous technology focused professional development opportunities, which has allowed them to create blended learning lessons in their classrooms. There is a technology capital improvement plan that will allow for technology infrastructure upgrades. The focus is to upgrade the infrastructure in all the buildings across three towns. Cameras and alarm systems have been updated with the latest technology. Connectivity in the buildings has been improved by increasing bandwidth, switches and access points. There is a rotation plan for computers to ensure the latest devices are available to students. Libraries in each of our schools are transforming into library commons, which means that they are hubs of our schools where students can access information through a variety of mediums.

The future of this goal is to expand computer science opportunities, align academic programs with new mass technology frameworks, continue to support technology professional development, create technology teacher leadership and student opportunities and recognition, and create opportunities for students to participate in online courses and use metrics to drive progress.

As a result of infusing technology into the classroom across all grade levels students will develop 21<sup>st</sup> century skills that will allow them to think out of the box and take risks in a responsible manner.

- **Organizational Structure**

- Strategic Goal #4

- By June of 2018 we will have examined our current organizational Structure and systems to implement efficiencies that ensure all district-wide goals are met.*

The group working on this goal created a schematic that shows the complexity of the four districts and how many resources and functions are replicated. Their work has helped identify the efficiencies and inefficiencies that are currently present in our organizational structure. Over the next two years the hope of the group is to explore options and make recommendations to school committee and town officials that will improve the overall effectiveness of all four districts.

## **School Leadership**

In the past school year, the administrative teams at the central office as well as at the school levels have remained constant. As superintendent of schools I would like to extend a sincere thank you to the Leadership Team comprised of Assistant Superintendent Dr. Elise Frangos, Director of Student Support Services Michael Nelson, Business Administrator, Patrick Spencer, Principals Michael Devoll, ORR High School, Kevin Brogioli, ORR Junior High, Rose Bowman, Mattapoisett Public Schools, Lyn Rivet, Sippican School in Marion, Derek Medeiros, Rochester Memorial School in Rochester, Assistant Principals Michael Parker, ORR High School, Silas Coellner, ORR Junior High, Kevin Tavares Mattapoisett Public Schools, Sarah Goerges, Sippican School in Marion, and Charley West Rochester Memorial School in Rochester. This team has provided the continuity and stability that created many success stories in all of our schools.

## **School Buildings**

### **All Schools**

The safety and security of our students and staff remains at the forefront of our facilities endeavors this past year. We initiated upgrades in our door access, alarm and surveillance systems throughout our District. We have also implemented an intense program to monitor air and water quality in all our buildings. This allows us to maintain a healthy and clean educational environment for learning. We have achieved this through scheduled testing and monitoring.

We conducted our survey/audit from the Massachusetts School Building Authority this past November. The School Survey is a statewide assessment of the general facility conditions of all our public elementary and secondary schools in the Commonwealth. The MSBA sent design and engineering professionals to each school to evaluate several key factors including building conditions, general environment, capacity and maintenance. This assessment is done every six years. The inspection teams had nothing but favorable comments concerning our buildings.

All our schools participated in the Governor's Initiative concerning lead and copper in schools. This initiative paid for sampling to confirm that drinking water levels are below action levels in **our** public school water fountains and fixtures used for food preparation, and will be utilized for the training of school personnel to assist in designing sampling plans. In December we received the results which in most cases were very favorable, with only a few results in the Commonwealth's action level range, which were immediately corrected.

All schools conducted the routine and required maintenance on all their firefighting and suppression systems, elevators, chair lifts, roofs, boilers and chillers. Preventative maintenance was conducted on all facilities machinery and equipment including HVAC systems.

### **Rochester Memorial School**

In keeping with a constant vigilance to the safety and security of our staff and students, we have upgraded our door access system to enhance our ability to monitor and control access to our building. The upgraded system ties into our already enhanced alarm and surveillance system.

The lighting management system required a re-alignment and control upgrade. This re-boot and control will not only reduce electrical utility costs, but heighten the visibility both inside and outside the facility.

As with every new Building Management System, we are constantly reviewing and conducting efficiency trends to optimize the management of the HVAC System. This has proven to be fruitful in the reduction of utility costs over the last year.

Our fresh water supply at the school had all the mandated Commonwealth Safe Water testing completed and all samples were below the Commonwealth's Action Levels. Notably, the lead and copper testing was moved from one year to three due to the constant low levels for the past three years.

### **Old Rochester Senior/Junior High School**

This past year we had to do a “Complete Make Over” of the High School Library due to water damage from a ruptured core from a Roof Top Unit. The library suite was completely restored including ceilings, walls, floors and furniture. The end result was a bright and open library suite that enhanced the students’ research experience.

Each of the walk-in coolers and freezers had failed compressor/condenser and were replaced with new and efficient units. The new units allow us to have better savings control of the operation and temperature of the cooler and freezer.

Our biggest accomplishment this past year was to institute a funded five-year capital plan. This will enable us to address major facility needs that have not been addressed since the renovation in 2001. We started this past year with the upgrade of our security alarms and surveillance systems. The phase replacement of our aging Roof Top Units cores has also begun with two cores replaced.

During the 2015-2016 school year we also had to replace our multi-purpose field irrigation well pump, motor and piping for our 300 foot irrigation well. The new pump and motor is rated to be 25% more efficient, the pump and motor were 17 years old, we are hopeful that some savings will be seen in our utility costs.

The maintenance staff conducted preventative and scheduled maintenance on all facility equipment, systems and machinery.

### **Sippican Elementary School**

This has been a very busy year for the facility department at Sippican Elementary. We continue the phase replacement of our floors with this past year completing the re-tile of our cafeteria, incline ramps and door entrances. The ramps and entrances received the highly durable and low maintenance rubber flooring.

Our roofing contractor was able to isolate and repair several roof leaks in the EPDM (rubber roof). After completing the repair we conducted a water test on our entire roof to ensure no other problems/leaks were present. None were detected.

In keeping with our safe and secure initiative, we added “Mutual Link”, a first responder security and communication hardware/software system. This will allow us to actively communicate and report, in “real time”, threats to our students, staff and building.

We have also upgraded our surveillance capabilities through additional cameras and interphase software allowing administrators to monitor as well as record threats and problems both on and off site.

Our playgrounds were completely re-surfaced using the regulated Engineered Wood Fiber (EWF) maintaining the required fall cushion for our students. We also replaced all our swings and completed minor repairs to the playground apparatus to provide a safe play area for our students and the children of the Marion community.

The Commonwealth completed an intense and thorough air quality testing of our entire school. They tested every space and every classroom for air quality concerns. The results were very favorable and they declared our building safe and the air quality was acceptable and safe to occupy. They had 28 recommendations to ensure proper air quality is maintained. All 28 recommendations were completed including such recommendations as moving shrubbery away from the building and keeping classroom uni-vents clear from books and other articles.

We also hired Craig Gendreau as our new Supervisor of Building and Grounds in December. He comes to us with a great deal of experience and leadership skills. Mr. Gendreau is a retired U.S. Army Lt. Colonel.

**Center School**

We completed repair and update of four Roof Top Units and two Air Handlers which resulted in an increase in the heating and cooling building efficiency. The update of the JACE (brain) controller further improved the capabilities of our HVAC system resulting in utility savings and the ability to have better control off and on site.

We replaced the gym door entrance with a durable and low maintenance rubber floor. That floor system was the best option for an entrance that supports the high traffic that both the gym and playground receive.

We also continue our security update at Center by upgrading and enhancing our security alarm and access system. The update allows us to have one access system for the entire district, which enhances the ability to manage district-wide access when needed and to improve the data entry and recovery with no corruption between the different school buildings.

The Town of Mattapoisett voted an article as part of the Capital Improvements to make funds available to construct a security vestibule to provide a security barrier for all visitors entering the school. The security vestibule will ensure only authorized individuals are properly identified and badged before entering the school. We have started the procurement process. The plans and specifications have been drawn up by our architect.

We are excited to have promoted Craig Harrison from custodian to Supervisor of Building and Grounds. He brings a wealth of experience in not only the custodial arena but as a leader with the management skills needed to maintain our school in the high material condition that we have come to expect. His promotion opened a vacancy in the second shift that we filled through an inter-district transfer. Amilcar Barbosa come to us from Rochester Memorial School and has proved to be a welcomed asset to the Center School team.

**Old Hammondtown School**

At Old Hammondtown we also updated our security alarm and access system and plan to construct a security vestibule to have control of individuals entering the school.

With Capital funds we were able to re-surface the cafeteria floor. The cafeteria is used for much more than an area to eat lunch. Many plays and productions as well as Mattapoisett Town voting are conducted in that space. The new floor not only improves the overall appearance of the cafeteria, but also extends the use of the cafeteria for years to come.

**Student Services and Special Education**

During 2016 and as compared with the Commonwealth of Massachusetts the Marion, Mattapoisett, Rochester and Old Rochester Regional School Districts educated 86% of the children who receive special education within a full inclusion model of service delivery, as compared with a state average of 62.8%. The benefits of education within the neighborhood schools include: higher expectations for students with disabilities; improved instruction (because of the need for teachers to teach to individual children regardless of their achievement levels); and a richer school environment because of the diversity of our classrooms. The average percentage of students with disabilities (SWDs) is 14.7%, which is 2.4% less than the state average of 17.1%. However, there is variability in the percent of students with disabilities among our school districts.

The percentage of students who are eligible and receiving special education services in each school district as compared to the state of Massachusetts is outlined in the table below:

School District	%SWD
Marion	18.8

<b>Mattapoissett</b>	<b>11.2</b>
<b>Rochester</b>	<b>17.2</b>
<b>Old Rochester</b>	<b>13.7</b>
<b>System-Wide</b>	<b>14.7</b>
<b>State-Wide</b>	<b>17.2</b>

Another important accomplishment during the 2015-2016 was the successful completion of the Coordinated Program Review. Every six years the Department of Elementary and Secondary Education fully reviews programming in the areas of Special Education, Civil Rights, and English Language Education. The purpose of this process is to ensure that the school districts are in full compliance with all mandated laws and regulations. At the conclusion of this process, Marion, Mattapoissett, Rochester and Old Rochester are in full compliance.

### **Special Education Services Enrollment**

Students who receive special education services in the Tri-Town Area range in age from 3 to 21. Our integrated preschool program called Project GROW provides services for any preschoolers who are eligible for special education. Some preschoolers, who are eligible for special education services, receive therapies on an appointment basis based on individual need.

Students in elementary schools range from those who may have very mild learning or language disabilities or a developmental delay to students who have very significant disabilities (autism, multiple disabilities, etc.). School-based TEAMS consider the impact of the student's disability on their education in determining the types of services or program the student needs. Some students with complex disabilities affecting all areas of their lives may require services after school or during summer vacation. As students become older, school based TEAMS work with adult agencies to begin the transition process for students who are entitled to services.

### **Finances**

Federal and state grants continue to offset staffing in all four school districts, as well as provide staff development for targeted student needs including social/emotional learning, language-based learning disabilities, and students with significant and complex needs. Grants also offset a percentage of preschool programming. Finally, the continued investment in providing special education services within the neighborhood schools enriches the quality of teaching available to all students, improves the school culture and ultimately results in students with disabilities and their families maintaining a higher level of independence.

### **The School Budgets**

The table below displays the trends in the budgets of the Tri-Town district in the last three years.

The per pupil cost for education in the schools of the Old Rochester Regional and Massachusetts Superintendency Union #55 is compared to each other as well as to the Massachusetts state average:

	<b><u>FY'13</u></b>	<b><u>FY'14</u></b>	<b><u>FY'15</u></b>
Marion	\$12,782	\$14,931	\$15,978
Mattapoissett	\$15,850	\$15,449	\$15,817
Rochester	\$12,495	\$13,192	\$13,695

Old Rochester	\$14,339	\$13,956	\$14,099
State Average	\$14,021	\$14,518	\$14,936

The source of support for public education programs in the Old Rochester Regional School District/Massachusetts Superintendency Union #55 includes funding sources described in the tables below:

**Local Tax Assessments: Local School Budgets: (Grades K-6 Elementary School Program)**

	<u>FY'14</u>	<u>FY'15</u>	<u>FY'16</u>
Marion	\$5,582,338	\$5,608,265	\$5,634,987
Mattapoisett	\$6,092,177	\$6,201,946	\$6,385,750
Rochester	\$5,545,003	\$5,672,343	\$5,798,410

**Old Rochester Regional School District (Grades 7-12 Program)**

	<u>FY'14</u>		<u>FY'15</u>		<u>FY'16</u>	
	<u>Operating</u>	<u>Capital</u>	<u>Operating</u>	<u>Capital</u>	<u>Operating</u>	<u>Capital</u>
Marion's share	\$3,699,930	\$264,127	\$3,782,733	\$257,795	\$3,969,601	\$251,463
Mattapoisett's share	\$4,566,814	\$367,544	\$4,470,450	\$358,733	\$4,588,798	\$349,922
Rochester's share	\$3,995,996	\$331,242	\$4,147,586	\$323,302	\$4,260,523	\$315,362

**State Aid (Towns (K-6) & ORR District (7-12))**

	<u>FY'14</u>	<u>FY'15</u>	<u>FY'16</u>
Marion	\$ 459,899	\$ 595,842	\$ 670,258
Mattapoisett	\$ 587,658	\$ 661,547	\$ 772,515
Rochester	\$1,738,272	\$1,750,422	\$1,762,322
Old Rochester	\$2,238,126	\$2,382,613	\$2,715,679
Federal and State Entitlements:	<u>FY'14</u> \$1,028,749	<u>FY'15</u> \$907,018	<u>FY'16</u> \$788,242
Competitive Grant Funds:	\$ 12,511	\$ 8,990	\$ 9,000

**Enrollment**

The October 1<sup>st</sup> enrollment totals in the Old Rochester Regional/Massachusetts Superintendency Union #55 Districts indicate relatively static school populations. The school age population is not changing appreciably in any of the three towns, a circumstance that appears to reflect the general lack of real estate activity in the area.

**October 1 Figures**

	<u>2014</u>	<u>2015</u>	<u>2016</u>
Sippican School	438	443	454
Center School	268	251	233
Old Hammondtown	229	229	210
Rochester Memorial	476	481	467

ORR Junior High School	457	460	482
ORR Senior High School	715	701	688

Although a high percentage of the elementary school students K-6 are enrolled in the Tri-Town Public Schools there is some movement to independent and parochial schools from grade seven and a more significant movement to independent, parochial, and vocational school, after the eighth grade. The following chart captures trends in student transfers. The largest transfer trend is seen from Grade 8 to Grade 9 where some of our students opt to go into Vocational High Schools, such as Upper Cape Cod Technical High School, Old Colony Regional High School and Bristol County Agricultural High School.

	<u>2014</u>	<u>2015</u>	<u>2016</u>
Grade 6	232	235	209
Grade 7	223	239	239
Grade 8	246	221	243
Grade 9	200	172	163
Grade 12	168	177	160
Graduating Class *	160	183	187

\* Graduating class figures are as of June; other figures are as of October 1, 2016.

Robert	Joseph	Smart	Wareham
Conrad	Jan	Wierzbicki	Wareham
Hannah	June	Deane	West Wareham

### Union Agreements

During the 2016 school year, contracts were settled with the Old Rochester Professional Educator Associations, which represents the teachers, instructional assistants and secretaries. Apart from these three groups, the ORR school committee

settled with the United Electrical Union who represents custodians and cafeteria workers at the region. At the time of this report, negotiations have started with the Marion Teachers Association and the Rochester Memorial Support Staff. Please note that these two contracts will expire in the summer of 2017.

Curriculum & Instruction

Standardized Testing

The Partnership for Assessment of Readiness for College and Careers (PARCC) performance of each of our Elementary Schools and Junior High School for the 2015-2016 school year can be seen below as are the Science, Technology and Engineering (STE) MCAS scores, which are taken by students in grades 5, 8 and 9.

NB: PARCC scores do not align with MCAS scores. PARCC performance levels provide a scoring scale designed to help parents know if their child met the rigorous standards expected to be learned at each grade level. Instead of the “Advanced, Proficient, Needs Improvement or Warning categories, the score reports delve deeply into the standards so families can see what areas of mathematics or ELA were learned and which need additional bolstering.

PARCC performance levels can be seen in this chart.

- Level 1: Did not yet meet expectations
- Level 2: Partially met expectations
- Level 3: Approached expectations
- Level 4: Met expectations
- Level 5: Exceeded expectations

Mattapoisett Public Schools

Mattapoisett ranked first (94<sup>th</sup> percentile) out of 125 schools in the South Coast region. The schools, Center and Old Hammondtown, continue to build on their culture of excellence and exhibit outstanding growth.

PARCC Tests of Spring 2016  
Percent of Students at Each Achievement Level for Mattapoisett

Mattapoisett	Level 4 & 5	Level 5	Level 4	Level 3	Level 2	Level 1	Avg Scaled Score	Number of Students Included	Trans. CPI		Trans. Student Growth Percentile (SGP)
Grade and Subject									#	Mean	# Median

Grade 3 ELA	66	11	55	27	3	3	765	62	64	91.8	--	--

### Growth in Mathematics

As a level 1 school district, Mattapoisett is proud of its capacity to close achievement gaps for all learners.

In grade 3 math, 74% of students were in the combined category of Level 4 and 5 compared to 56% in the previous year. In English Language Arts, 80% of students placed in the L4 and L5 categories compared to 55% in 2015. In grade 5 math, 86% of students placed in the L4 and L5 levels compared to 76% in the previous year. Lastly, in grade 6, 80% performed in the L4 and L5 compared to 79% in the previous year.

### Growth in English Language Arts

For English Language Arts, 67% of grade 3 students placed in Levels 4 and 5, the two top performance levels. This is up from last year's 49%. In grade 4, 81% were in the L4 and L5 compared to 63% last year. In grade 5, 81% were in L4 and L5 just as they were last year. In grade 6, 92% performed in the L4 and L5 category. This increased by 11% from last year!

Based on these steady improvements, the Massachusetts Department of Elementary and Secondary Education ranked the Old Hammondtown school a level 1 school for the seventh year in a row. Center School, grades pre-K through 3 is also a level 1 school. Center School received an overall performance status of 95 in a scale of (1-99). The Old Hammondtown School, a grade 4-6 upper elementary school, is highly ranked in the state for both English language arts and mathematics (boston.com). It is among the top rated schools in the state for 6<sup>th</sup> grade English Language Arts, as number 2 in the state of Massachusetts! 100 per cent of all students met the state determined targets. High needs children, as defined by children who are English Language learners, disadvantaged or special education also met the target by 100%.

Students in grade 5 take the Science Massachusetts Comprehensive Assessment system (MCAS). In Mattapoisett, students consistently score high when compared to the state on the technology and engineering materials and tools standards, and on standards for Earth and the Solar System, Life Science and Adaptations of Living things.

### Science Technology and Engineering MCAS Test of Spring 2016

The table below describes the Percent of students at each achievement Level for Mattapoisett in Science.

In science, 74% of Mattapoisett students scored Advanced or Proficient compared to 47% of the state.

Students consistently score high in technology/ engineering and tools, in standards focused on Life science, Mattapoisett reached 81% proficiency vs the state's score of 71%. Lastly on science multiple choice questions, Old Hammondtown school fifth grader outscored the state by 8%. The average score on Open Response writing for students is 2.45 (out of 4 points) vs. the state at 1.98.

Grade and Subject	Proficient Or Higher		Advanced		Proficient		Needs Improvement		Warning/ Failing		Included	CPI
	District	State	District	State	District	State	District	State	District	State		
Grade 05 Science/Tech Eng	74	47	23	16	51	31	23	38	3	14	73	90.1

**Marion Public Schools**

On the PARCC Tests of Spring 2016, all subgroups of children in Marion met their targets, including high needs children. This is a particular point of pride for the Sippican community.

The Percent of Students at Each Achievement Level for Marion is shown below.  
The 2016 performance on PARCC and MCAS places Marion's elementary school as a Level 1 school.

**Math Performance**

Grade 3 realized a significant jump in the number of students exceeding expectations. There was a significant reduction of children in the Level 2 category and a major jump in L4 and L5 combined. In grade 5, 87% of students are in the Levels 4 and 5. For grade 6 results were stable with 75% of students in levels 4 and 5.

In English Language Arts grade 3, Level 5 increased by 5%. Other grade levels remain stable which may be reflecting the numbers of children moving into the community who had not experienced the Sippican curriculum.

Marion Grade and Subject	Level 4 & 5	Level 5	Level 4	Level 3	Level 2	Level 1	Avg. Scaled Score	Number of Students Included	Trans. CPI		Trans. Student Growth Percentile (SGP)	
									#	Mean	#	Median
Grade 3 ELA	66	11	55	20	9	5	763	65	67	88.4	--	--
Grade 3 Math	77	40	37	17	6	0	773	65	67	94.4	--	--
Grade 4 ELA	64	9	55	26	9	2	759	58	59	83.9	52	43.0
Grade 4 Math	66	14	52	24	9	2	763	58	59	87.3	52	62.0
Grade 5 ELA	73	10	63	23	2	3	764	62	62	94.4	59	45.0
Grade 5 Math	87	26	61	11	2	0	774	62	62	97.2	59	67.0
Grade 6 ELA	75	12	63	23	3	0	763	75	75	95.3	73	41.0
Grade 6 Math	75	16	59	19	5	1	765	75	75	92.3	73	47.0

**Science, Technology and Engineering MCAS Test of Spring 2016**

This year's science results showed a marked improvement from last year's. It took place during a year when a new Science, Technology and Engineering framework was being implemented. More students rose to the Advanced category and 0% performed in the Warning category. Marion Open Response writing scores were 13 points above the state average for Open Response Science Writing.

The Percent of Students at each Achievement Level for Marion can be seen below.

Grade and Subject	Proficient or Higher		Advanced		Proficient		Needs Improvement		Warning/Failing		Included	CPI
	District	State	District	State	District	State	District	State	District	State		
Grade 05 Science Tech/Eng	74	47	26	16	48	31	26	38	0	14	62	91.9

### **Rochester Public Schools**

Based on the 2015-2016 PARCC examinations, Rochester remains a Level 2 school based on missing Level 1 designation by one point!

In English Language Arts, grades 4,5, and 6 achieved between Levels 3-5 for 98% of the students. Student growth percentiles were 85 for grade 4 ELA, with a 62 growth percentile for grade 6 ELA compared with the expected GP of 50.

In Mathematics, grades 4,5, and 6 achieved between level 3-5 for 93%, 94% and 95% of the students on the PARCC exam. Not one students in grades 4-6 scored at Level 1 on the Mathematics assessment. The student growth percentile expected was a 50. The student growth percentile achieved in grade 4 math was 82. It was 74 in grade 5 math.

Rochester Grade and Subject	Level 4 & 5	Level 5	Level 4	Level 3	Level 2	Level 1	Avg Scaled Score	Number of Students Included	Trans. CPI		Trans. Student Growth Percentile (SGP)	
									#	Mean	#	Median
Grade 3 ELA	41	0	41	42	10	7	743	69	69	83.0	--	--
Grade 3 Math	51	10	41	25	22	1	749	68	68	84.6	--	--
Grade 4 ELA	79	29	50	19	0	2	778	58	59	91.9	56	85.0
Grade 4 Math	69	12	57	24	7	0	766	58	59	89.4	56	82.0
Grade 5 ELA	65	2	63	30	5	0	757	63	66	93.9	63	45.0
Grade 5 Math	69	6	63	24	6	0	760	62	65	93.8	62	74.0
Grade 6 ELA	77	16	61	21	3	0	768	77	77	96.4	74	62.0
Grade 6 Math	68	8	60	27	5	0	760	77	77	91.6	73	42.0

After two years of the Go Math! program, teachers are teaching to the rigor expected on the PARCC and clearly, Rochester students are rising to those expectations.

### **Science, Technology and Engineering MCAS Test of Spring 2016**

Rochester students performed higher than the state in the Proficient category in Science.

RMS students performed 11% above the state on the Life Science Questions. They were 8% above the state on technology and engineering questions. While there is work to be done in science, the advent of a new STEM position is expected to provide the coaching teachers need to implement the new, rigorous standards.

Grade and Subject	Proficient or Higher		Advanced		Proficient		Needs Improvement		Warning/ Failing		Included	CPI
	District	State	District	State	District	State	District	State	District	State		
Grade 05 Science Tech/Eng	56	47	11	16	45	31	33	38	11	14	66	83.3

### Old Rochester Regional School District

In the 2015-2016 school year, the Old Rochester Junior High and High school complex served nearly 1200 students. While both schools are ranked Level 2, this signifies a plateau in the growth towards expectations of two high performing schools. Exponential growth for high-performing schools becomes increasingly more challenging. The Old Rochester High School is also home to the Tri-Town pre-school which provides high school students with the opportunity to learn about early childhood education by assisting our new Pre-school teacher, Mrs. Janet Gauvin. The High School's assessment continued to be the MCAS examination in English Language Arts, Mathematics and Science. Whereas, our Junior High students took the PARCC exams in Math and English Language arts. They also took the Science MCAS at the conclusion of grade 8.

### **Old Rochester Junior High School Achievement**

As seen in the science, technology and engineering data below, the data is trending upward as the JRHS performed with 50% of all students in the Advanced or Proficient category in Science, with 9% above the state S.T.E. A and P performance. A new curriculum framework for Science, Technology and Engineering connected with the Next Generation Science Standards had been in development for several years; it was finally approved by the MA DESE in April of 2016. Across all of our grades, realignment to these new rigorous inquiry-based standards is taking place. Grade 8 students performed in the 67<sup>th</sup> percentile, with 86% percentile for students with disabilities. Our tech teacher, Mr. Scott McElroy is instrumental in that the JRHS performed 9 percentage points above the state on Technology and Engineering standards.

#### **Science, Technology and Engineering MCAS Test of Spring 2016**

Grade & Subject	Proficient Or Higher		Advanced		Proficient		Needs Improvement		Warning/ Failing		Included	CPI
	School	State	School	State	School	State	School	State	School	State		
Grade 08 – Science Tech/Eng	50	41	3	6	47	35	42	40	8	19	215	79.2

In grade 7 English, 71% of our students performed at the 4 or 5 level on the PARCC assessment, which are the highest levels, indicating that they are meeting or exceeding grade level standards. In grade 8 English, 70% placed at Level 4 and 5. Grade 8 has the second highest CPI score in our D.A.R.T. group and the highest PARCC CPI that was on target. Points of pride in mathematics are that we are in the 74<sup>th</sup> percentile for all students and the 76<sup>th</sup> percentile for students with disabilities. The table below describes the Junior High School English Language Arts and Math PARCC assessment data.

Grade & Subject	Level 4 & 5	Level 5	Level 4	Level 3	Level 2	Level 1	Avg Scaled Score	Number of Students Included	Trans. CPI		Trans. Student Growth Percentile (SGP)	
									#	Mean	#	Median
Grade 7 ELA	71	23	48	18	9	2	763	231	235	92.1	223	29.0
Grade 7 Math	65	15	50	26	7	2	759	232	236	86.8	224	45.0
Grade 8 ELA	70	16	54	24	5	1	766	203	205	96.7	197	38.0
Grade 8 Math	39	0	39	32	18	11	740	104	106	74.3	100	27.0
Grade 8 Alg. I	89	12	77	11	0	0	777	102	102	96.6	96	33.0

In mathematics, we were proud to see the seventh grade improvement from 74.5% advanced and proficient grow from last year by 1.8 points. The percent advanced increased from 22.6% to 28%.

Nearly half of our grade 8 students take Algebra 1 in the grade 8 year to ensure they are on the path to Pre-Calculus or Calculus in High school. This path opens the doors to engineering, pre-medical and business careers. We do not have barriers to entry for this course and our students succeed greatly in the 4 sections offered. 89.% of Algebra students scored in the Advanced or Proficient levels (Level 4 and 5). Moreover, to meet the needs of advanced students, 7 middle school students in grade 8 were enrolled in Honors Geometry at the High School

Additionally, given our overall performance on these JRHS mathematics assessments, and the burgeoning numbers of students in advanced courses, we may surmise that our work on curriculum and instructional strategies in the classroom- from vertical teaming in the elementary years to having a math coach at the Junior High has paid dividends on students’ mathematical learning.

**Old Rochester Regional High School Achievement**

At the high school, the MCAS examinations are taken in the 3 core subject areas of Math and ELA in the grade 10 year. In grade 9 students take the Biology Science MCAS for a final Science test administration.

98% of ORR grade ten High School English students in performed in the Advanced and Proficient categories, which is testimony to the hard work of reading and English teachers along the continuum of instruction across all of our schools to provide an excellent, rigorous education in the districts and alignment to the rigors of the Common Core State Standards. Moreover, in English, failure on the exam was reduced from 1% to 0%. Growth in CPI went from 42.0 in the spring of 2015 to 50 in the spring of 2016.

Grade & Subject	Proficient or Higher		Advanced		Proficient		Needs Improvement		Warning/ Failing		Included	CPI	SGP	Included in SGP
	ORR	State	ORR	State	ORR	State	ORR	State	ORR	State				
Grade 10 ELA	98	91	55	47	43	45	2	6	1	3	200	99.3	46.5	186
Grade 10 Math	89	78	64	54	25	24	10	15	2	8	200	95.3	50.0	185
Grade 9 Science Tech/Eng	77	73	23	29	55	44	22	21	1	5	195	91.9	N/A	N/A

In mathematics, 89% of ORR students performed in the Advanced and Proficient categories. We reduced failure on the Math exam from 3% to 2%. Growth in Mathematics went from 42 in the spring of 2015 to 50 in the spring of 2016.

Science courses and electives continue to be highly enrolled in at the High School. 77% of students performed at the Advanced and Proficient levels at the Old Rochester Regional High School. Failure on the on the Science exam decreased from 3% to 1%. However, a slight reduction in growth from 93.6 in the spring of 2015 to 91.9 in the spring of 2016 impacted ORR’s achievement level.

A particular point of pride is that all Old Rochester Regional High School high needs students met the target for expected performance. (High Needs = disadvantaged students, special education students, and English Language learners.)

### **Advanced Placement Enrollment and Performance**

At the high school, students continue to increasingly see the AP advantage and challenge themselves by taking courses in 12 Advanced Placement offerings including: English Literature, English Language and Composition, European History, United States History Calculus, Statistics, Biology, French and Spanish, among others.

When students earn a qualifying score, or a 3, 4, or 5, on an Advanced Placement examination, they can earn “*Advanced Placement*” or college credit, at their future college or university. In the graduating class of 2016, 62.5% of seniors scored a 3 or higher on at least one AP exam.

In 2016, a total of 321 AP exams were taken by students. The table below documents Old Rochester High School students’ increasing enrollments in AP courses as well the inauguration of the popular Advanced Placement Psychology course which commenced in 2016. As for AP scholars, earning recognition for high performance on three or more Advanced Placement examinations, 17 students achieved this commendation. Fourteen students who performed at high levels on 4 AP exams were AP scholars with Honor. Seventeen students were AP scholars with Distinction, which means that these students received an average score of 3.5 (of 5) on five or more Advanced Placement exams.

<b>Course</b>	<b>2012-2013 Enrollments</b>	<b>2013-2014 Enrollments</b>	<b>2014-2015 Enrollments</b>	<b>2015-2016 Enrollments</b>

### **Awards, Commendations and Post-Secondary School Preparation**

Our seniors were recognized in many ways for their outstanding academic performance, participation in their communities, and for their prowess in athletics.

As a result of earning Advanced on both Math and English MCAS, 54 students graduating in the spring of 2016 earned the John and Abigail Adams scholarship which provided these scholarship recipients a tuition free education in our Massachusetts state college or University system. Nearly \$93,000 in scholarships was given to graduating Old Rochester seniors based on the generosity of community organizations. Annually, the Cape Cod Five Bank bestows the gift in kind of a Lenovo Computer to a graduating senior intending to study engineering. This computer is valued at over \$5,000 dollars.

The senior class of 2016 applied to and were admitted to diverse institutions of higher education, reflecting their career aspirations and expectations for value in the educational dollars they and their families expend. Seniors enjoyed acceptances to highly selective colleges such as MIT, Boston University, Bentley and Babson as well as local Massachusetts institutions of higher education with religious affiliations including Assumption College, Boston College and Holy Cross. As they apply to

colleges across the United States, some chose to matriculate at Belmont University in Tennessee, Colorado State University, or Coastal Carolina University. Students also elected to attend schools for engineering including Northeastern, Rennsalaer and Worcester Polytechnic Institute and Wentworth. The lion's share of Old Rochester graduates sought the economic benefit of attending our Massachusetts State University system; many chose to attend Bridgewater State University, the University of Massachusetts, Dartmouth and the UMass flagship campus at Amherst. What remains evident is that whether seniors choose to honor their country by electing to enter the armed services, or the world of work, ORR students attain admissions to many institutions and opportunities commensurate with their interests, goals and aspirations and high school performance.

## **Conclusion**

The focus of the school district is to look for ways to increase the social and emotional learning support, infuse technology to create a blending learning environment, prepare for the new Every Student Succeeds Act (ESSA) and conduct a series of audits to ensure the district is in compliance of federal and state regulation while meeting all student needs.

The Department of Education has adopted the new (ESSA) to take the place of the NCLB Act of 2002. ESSA will hold all students to high academic standards while preparing all students for college and career opportunities. The Act will also allow for more local control while reducing the burden of test results on districts.

As a result of these changes there will be a shift in the way our children receive instruction in the classroom. Teachers will need to move away from lectures, students taking notes and performing practice homework, to being a facilitators who provide a lab environment where students will participate in project based learning using the latest technology, collaborating with classmates, and using their time outside the classroom to listen to teacher prepared lectures, researching the latest information on the topic.

Educators in the tri-town have used their professional development time to ensure curriculum in all subject areas are aligned with the common core state standards and will assist in creating classrooms that are student-centered. Students in grades 3-8 will be asked to take part in the new online MCAS 2.0 next generation assessment, to prepare for these test students participated in the PARCC online assessment over the last two years and performed at a high level.

With these changes the optimal level of resources from the federal, state and local will be instrumental if the tri town school districts are going to sustain and maintain and increase the services provided to our children. On behalf of the children of the Tri-Towns, as Superintendent of schools, I truly thank you for providing the support, resources, and encouragement to ensure that every student receives the education that will allow them to realize their dreams.

## **School Committee**

The following School Committee members concluded their service during the 2015-2016 school year, and we extend our thanks for their willingness to offer the many hours and considerable commitment required for this particular responsibility. The stakes involved in school committee decision-making are quite high.

The following school committee members completed terms in 2016:

Cynthia Johnson, ORR School Committee, Mattapoisett  
Linda Harju, ORR School Committee, Marion  
Charles Motta, Mattapoisett School Committee

The following school committee members began terms in 2016:

Faust Fiore, ORR School Committee, Mattapoisett- from May 2016 to September 2016  
Dennis Perry, ORR School Committee, Mattapoisett - from February 2017 to May 2017  
Heather Burke, ORR School Committee, Marion  
Rachel Westgate, Mattapoisett School Committee

**Annual Administrator's Report  
2015-2016  
Sippican School  
Marion, Massachusetts**

In the 2015-2016 school year, Sippican School proudly celebrated its continued rating as a Massachusetts Level 1 school. Additionally, the school exceeded the State's target for all subgroups of students. We recognize that the ability to provide quality education to all students takes the combined efforts of staff, students, families, and a community that supports the education of their students. We are grateful for these invested constituents.

The school year began with 455 students, including 37 new students in grades 1 through 6. "Growth mindset" and social emotional health were the main themes of the 2015-2016 academic year. Staff, students, families and community worked together to nurture a *culture of* and *excitement for* learning. The "I can grow my brain!" attitude was apparent when viewing the variety of professional development offerings staff availed themselves of, student learning opportunities across the curriculum, and the many chances students had to learn through the arts and other special presentations. A District-wide report card committee was formed to not only look at best practices in reporting student academic progress, but to also intentionally integrate the five components of CASEL (Collaborative for Academic, Social and Emotional Learning). These actions allowed us to ensure a well-rounded education for every child, in consideration of both academic and social emotional needs.

**Staffing**

We welcomed many new staff members this year. Mrs. Grace Rodrigues, a former student teacher under Mr. Resmini with several years' experience with New Bedford public schools, was hired as our new physical education teacher. Melissa Rogers and Molly McGowan, both talented early childhood educators, were strong additions in kindergarten. Tracy Feeney added her teaching experience from Loft Preschool and Newton Public Schools to round out the 1<sup>st</sup> grade team. Melissa Cieto and Emily Condry brought their fresh educational perspectives and passion for teaching to the 3<sup>rd</sup> grade team. Adam Gonsalves, made the move from New Bedford Public schools to Sippican as a 6<sup>th</sup> grade teacher. Lindsay Swanton brought her abilities and positivity as a new teacher on our special education team. Jillian Wilson joined the staff in the role of paraprofessional. These new staff members have been a contributing force to the continued growth and development of programming for children.

We bid farewell to several very special, veteran staff members. Mrs. Janice Proc retired after over thirty years of teaching. She taught several grade levels and many, many students during her time at Sippican. Her educational skills, devotion to students, and ability to mentor colleagues will be greatly missed. Susan Paling retired from the physical education department. Her skills enhanced physical fitness and brought joy to countless students. Karen Clark and Nancy Havel, longtime paraprofessionals, retired from their assignments. We thank them for their team spirit and intuitive skills with children.

## **Curriculum and Staff Development**

Professional development is essential to keeping teachers on the cutting edge when working with our students. In this spirit, staff participated in many, varied opportunities. The administrative team attended the Association of Supervision and Curriculum Development (ASCD) conference, returning ready to share learning and implement a variety of ideas with their staffs. Leanne Dineen, Cathy Furtado, Julie Bangs, and MJ Menezes attended Teachers College at Columbia University. In turn, they provided professional development to colleagues to fully implementing Readers and Writers Workshop. Professional developer and reading expert, Kathy Collins, worked with teachers on four dates across the year to support the work being done in the teaching of reading. All staff members attended a full day professional development with Dr. Ross Greene, on the topic of social emotional health and behavior. Dr. Greene's shared philosophies were extended as staff members studied his book, **Lost at School**, during staff meetings. The Every Day Math consultant worked with staff to familiarize staff with the Common Core version materials. Several teachers completed course work to gain their Sheltered English Language endorsements. Sarah Goerges and Jessica Barrett attended two technology conferences, MassCue and Learning Launch Across Boundaries. They shared much of what they had learned with students and staff. To enhance the teaching of writing, teachers worked with staff developers from Keys to Literacy. Our Reading Recovery teachers, Kelly Kelleher and Amy Wiggin, continued their participation in Continuing Contact training. This training keeps them in the forefront of reading instruction. Both readily shared their expertise with students, staff and families.

Sippican School was awarded a State commendation grant that allowed ten staff members to collaborate with teachers in Middleboro on strategies for best practice in the areas of reading and math. As part of the grant, teachers performed observational rounds to inform both their practice and discussions. This grant led to recommendations for enhancing curriculum.

Two additional professional endeavors included the Report Card Committee and the Vertical Science Team. The Report Card Committee consisted of teachers across the District who worked to create a standards based report card. The new report card will be rolled out in the 2017-2018 school year. The Vertical Science Team had representatives from each school, grades K-8. They began, and continue to, develop a scope and sequence of instruction based on the new Massachusetts NGSS standards.

## **Highlights Across the School**

Breakfast came to Sippican School on January 19<sup>th</sup>. The breakfast program gives all students the opportunity to start their day with a well-balanced, nutritious meals, serving 50-100 students daily.

The State was invited to perform an air quality evaluation of the school. Their findings were positive, with a few areas of concern. These concerns were immediately remedied under the oversight of facilities director, Eugene Jones.

2015-2016 saw the beginning of grade level “Town Meetings.” During a thirty minute block, on a rotating seven-day cycle, students at each grade level meet with the school adjustment counselor and administration to develop an understanding of school-wide expectations, teamwork, and problem-solving strategies.

Students at Sippican not only learn in their classrooms, but are offered a variety of learning experiences outside the classroom that encompass both their curriculums and the arts. These were presented in the form of projects, field trips, in school presentations and clubs. Among these opportunities were visits with and to the New Bedford Symphony across the grade levels, presentation by the Boston Museum of Science to grade 4 on how simple machines work, an interactive presentation on Colonial America, the Marion Fire Department’s presentation on fire safety, Zeiterion Theater experiences for every grade level, a kindergarten visit from the Owl Lady, participation in Hour of Code, marketplace project, zoo project, Festival of Lights and many field trips that directly linked with curriculum. After school hours, learning continued with student’s participation in Band, Chorus, Garden Club, Lexia Club, Homework Club, Drama Club, and the Makey Makey tech offering. Each offering is a demonstration of the investment on the part of staff and community to extend learning beyond that which takes place in the classroom.

This year we saw our very own Hannah Moore named as a finalist for teacher of the year. Congratulations, Hannah! Hannah received approval for her jazz ensemble to join Falmouth Academy for an experience called, “Music in the Mountains.” Several students traveled to New Hampshire to play several “gigs,” and share musical technique with their high school counterparts.

### **Community Connections**

Volunteers At Sippican Elementary (V.A.S.E.) tirelessly supported the academic experience at Sippican School by promoting the arts. They graciously coordinated all trips for each grade to the Zeiterion Theater. Each grade level was able to bring varying experiences into the school that added to the curriculum through their financial support. Examples of these programs would be the Colonial America theater group, coordination of the New Bedford Ballet performance, and the Boston Science Museum presentation for grade 4. V.A.S.E. members supplied recess equipment to allow students many activity choices. We are appreciative of their continued assistance to the students of Sippican School.

A generous donation made it possible to continue the lease of Chrome Books so that students in grades 3 through 5 have access to the technology needed to be successful on State mandated testing. The donation paid for countless field trips, lunch and breakfast balances, and essentials such as: coats, backpacks and more for students needing assistance. We are grateful for this selfless generosity.

Through the grant writing and work of Diane Cook, Jennifer Jones, and Hannah Moore, the Sippican Community Garden received a grant from Whole Foods to erect a greenhouse. The structure was completed in early summer and will create a year round opportunity for hands-on learning. We thank all who were involved in the grant writing, planning, and donation of services to make the greenhouse a reality.

Our school community offers many school to home, and school to community connections. Families have opportunities to see learning in action during the school day. A few of the many offerings this year were Mrs. Boussy's Family Learning Walk, 1<sup>st</sup> grade Family Traditions, Vocabulary Day All School Meeting, open invitation at all All School Meetings, Fossil Study by grade 3, and understanding the scientific process through volcanoes in grade 4. Family and community members are regularly invited to see student learning and talent outside of the school day. Here are a few of the highlights from 2015-2016:

- Sippican School band marching in parades
- Band and Chorus evening performances
- Chorus performance as an invited guest at the Choral Society's Music by the Sea
- Drama club's performance of "Under the Big Tent"
- Science/STEM fair
- "Read Like a Jedi" schoolwide reading challenge
- Sippican's Got Talent, talent show
- Arts in Action
- Band Blast

### **Conclusion**

2015-2016 was an incredible year for students and adults to nurture and grow their brains! We are grateful to the hard work and investment of all who believe in the power of education.

*To follow our activities on a continual basis please follow us on Facebook.*

***Principal's Annual Report  
Old Rochester Regional Junior High School  
2015/2016  
Kevin T. Brogioli-Principal***

The Junior High experienced several personnel changes in the past year.

**The following new staff has been added to the Junior High:**

Sheri DeChellis – 7<sup>th</sup> Grade Guidance Counselor  
Danielle Caron– Grade 7 Math/Science Teacher  
Nichole Charbonneau – Grade 8 ELA Teacher  
Linda Deveau – Full-time Nurse  
Carol Regan – Part-time Guidance Secretary

Additionally, Team Leader positions were re-instated on each of the following interdisciplinary teams:

Grade 7 – Red Team: Erin Sullivan  
Grade 7 – Blue Team: Justin Caldarone  
Grade 7 – Purple Team: Nate Orie  
Grade 8 – Green Team: Erica Ponte  
Grade 8 – Orange Team: Jeff Lombard  
Exploratory: Angie Vaughn

All Team Leaders attended multiple leadership workshops run by Dr. White and Principal Brogioli.

**The following staff resigned from the Junior High:**

Beth Martin – Guidance Counselor  
T.J. Sartori – Grade 7 Science Teacher

**Curriculum and Instruction:**

- Team Changes – Ms. Pat Harriman joined the Blue Team – Grade 7
- We implemented a new Advisory program. Students meet twice a week in their Advisory – (approximately 13 students per group) to work on a variety of team building activities, as well as social emotional, and academic tasks.
- We created a new 2-person Team in grade 7, the Purple Team, in order to reduce the average core academic class size in Grade 7. Mr. Orie taught social studies and ELA, and Ms. Caron taught science and math.
- The math department continued to work with math coach Molly Vokey around differentiation strategies.

**Afterschool Activities:**

Old Rochester Regional Junior High School offers many intramural activities. During the 2015-2016 school year, intramural activities included Girls Field Hockey, Boys/Girls Soccer, Boys/Girls Basketball and Fitness Club. The Boys/Girls Cross Country and Track Team were offered on an interscholastic basis.

Additionally, many students participated in other afterschool activities including Student Council, the Art Club, the Geek Club, Robotics Club, Ping Pong, Yoga, and the drama production of The Princess and the Pea.

#### **Community Service:**

During 2015/2016 our students were involved in the following projects:

- Annual Thanksgiving Banquet for the tri-town senior citizens – over 90 eighth-graders, 1/3 of the faculty staff and ½ of the cafeteria workers volunteered their time for this annual event. 250 Senior Citizens from the Tri-town area were served.
- Three students, Mary Clare Butler of Mattapoisett, Ryu Huynh-Aoyama of Marion and Benjamin Ritchie of Rochester, represented the Tri-towns at Project 351 in January. They met Governor Baker and participated in community service in Boston.
- Our Grade 8 Orange Team students volunteered their time during a field trip at Gifts to Give in New Bedford.
- The advisory groups of Mrs. Juvinall and Mr. McEloy worked at the Salvation Army in New Bedford.
- A student/faculty basketball game was held on May 26<sup>th</sup> for the New Bedford Homeless Advocates.

#### **Survival:**

Approximately 112 students went to Northfield, Massachusetts for a week of survival in the wilderness. The trip was the 43<sup>rd</sup> trip to Northfield for the Junior High.

#### **S.C.O.P.E.: (Supplemental Courses Offering Personal Enrichment)**

The remainder of our grade seven students who did not attend Survival took advantage of many educational opportunities in the South Coast. Students had the opportunity to select from a wide variety of valuable and interesting, “hands-on activities” and curriculum related educational field trips such as: Makepeace in Wareham, New Bedford National Park, National Park Freedom Trail – Boston, Skyzone, Mattapoisett YMCA (team building) and a cardboard boat race.

#### **Opening Day Orientation:**

Students in Grade 7 were introduced to the junior high by attending a modified day here at the junior high. The day was used to help new students transition into the Junior High School by having planned activities and programs. Team building activities were employed to provide students the opportunity to communicate and work more effectively with other students. A cookout was held at the junior high for all grade seven students as an “icebreaker”. Grade 8 students met for breakfast before resuming a normal day schedule.

#### **School Council:**

The Old Rochester Regional Junior High School’s School Council met once a month from September 2015 to May 2016. The School Council reviewed the FY 16-17 budget and received updates on the budget process. Information on MCAS/PARCC was provided and parents and

council members were kept abreast of latest State of Massachusetts Department of Education updates. The council reviewed the School Improvement Plan for the 2015-2017 school years as well as reviewing and updating our student handbook.

**Old Rochester Regional Junior High to Senior High Transition:**

In December, Grade 8 students toured the Senior High School and visit with teachers and staff of the high school. In February, Grade 8 Parents attended an ORR High School Information Night.

**Vocational School Visitation:**

In November students in Grade 8 had the opportunity to visit Old Colony Vocational School. (Mattapoisett and Rochester Students). Upper Cape Vocational came to the junior high and gave a presentation to our Marion students. Interested students also had the opportunity to visit Bristol Agricultural School.

**Grade 6 to 7 Student Transition:**

We offered three (3) separate parent meetings in the spring at each of the elementary schools: Superintendent Dr. White, Assistant Principal – Silas Coellner, Guidance Counselor – Ms. DeSousa, and Principal – Kevin Brogioli lead these meetings.

Our guidance counselors visited all three elementary schools in February to begin the transition process. Students in Grade 6 in Marion, Mattapoisett and Rochester were bussed to the Junior High School in June to visit the junior high and to become familiar with the layout of the building. In March we held a “Parent Information Night” especially designed for the parents of our incoming grade seven students. Guidance counselors and administrators were present and ready to answer any questions that parents might have had.

Grade 7 teachers began planning an orientation day to be implemented at the end of the summer prior to the first day of school for the 16-17 school year.

**Initiatives:**

- We maintained our summer reading program where students in grades 7 & 8 were allowed to choose a minimum of one book from a selection of fiction and non-fiction titles. A book discussion was held on their selected title in September.
- “Coffee with the Principal” was held three times during the school year.
- The principal held student roundtables discussions throughout the school year.
- Our annual Magazine Fundraiser earned \$4,200.00 in profits for the Jr. High School. Money was used to defray fieldtrip costs, for student celebrations and to purchase equipment.
- With the Mattapoisett Police and School Resource Officer, Matt McGraw, we trained our staff and students in the A.L.I.C.E. program (for school intruder emergencies).

- The school council and staff worked on the creation of a new Mission Statement. The final statement now reads:

***“OUR MISSION IS TO EDUCATE, MOTIVATE, AND HELP STUDENTS  
NAVIGATE A COURSE INTO THEIR FUTURE”***

**We Educate:**

Intellectually  
Socially  
Emotionally  
Physically  
Ethically

**We Motivate:**

By making education relevant  
By providing opportunities for student talk and group work  
By having students problem solve  
By giving students choice  
By providing students with opportunities to have fun  
By praising effort  
By being enthusiastic about a subject

**We Help Navigate:**

By offering guidance during advisory  
By exploring career and college options  
By working with students to help them make good choices

- The Healthy Tri-Town Coalition met all year and focused on three key areas based on Youth at Risk Survey results: depression, substance abuse, and relational violence. This committee was made up of administrators, teachers, parents, and community members.
- We continued to increase our 1 to 1 technology capability by leasing more chromebooks and carts.
- We implemented no homework night once per month in coordination with all other district schools.

**Student Assemblies:**

- In September, 2015 – School Resource Officer, Matt McGraw, led an ALICE presentation with our 7<sup>th</sup> grade students and in October, 2015 an ALICE drill took place with Officer Matt McGraw of the Mattapoisett Police Department; several “intruder” scenarios were given to the staff/students with directions on how to react.
- Chris Herren (September, 2015) – A former Durfee basketball star and NBA player spoke to our students on substance abuse, peer pressure and the courage to be one’s self. Prior to his presentation, students watched an ESPN video about Mr. Herren as background for his presentation.
- In November, 2015 – Grade 7 students attended the MARC (Massachusetts Aggression Reduction Center) presentation on bullying and cyberbullying. They

learned about the importance of maintaining password secrecy, the seriousness of sexting, and the types of impressions on-line information can leave.

- In November, 2015 – our Guidance Department organized “Career Day”. We had 32 individuals speak to our students in small groups about their professional and career paths. Our keynote speaker was Mr. Joseph Noonan, the Executive Vice-President and Chief Legal Officer of the Acushnet Company. He spoke to students about attributes of successful individuals.
- In November, 2015 – Jamele Adams, Dean of Students from Brandeis University, as well as a poet, spoke to our students about diversity and tolerance and had all JHS students writing and reading poetry.
- In April, 2016 – An assembly on “Making Healthy Choices” was presented before both 7<sup>th</sup> and 8<sup>th</sup> grade students. Linda Dutil, an Emergency Room Nurse and National Speaker, was the guest speaker.
- 8<sup>th</sup> Grade students attended an assembly on the Mass. Jury System
- Drug Story Theatre was offered at the High School auditorium on May 16<sup>th</sup>.

#### **Music Accomplishments:**

The following music students auditioned for and were accepted into the Southeast District Music Festival. They performed with other musicians from Southeastern Massachusetts Festival held at Taunton High School in March, 2015.

#### **CHORUS:**

Taylor Amaral  
Lilah Gendreau  
Zoe Hahn  
Isaac Hartley  
Lucas Ketchie  
Erin Scott

#### **ORCHESTRA:**

Jacob DeVoe  
Emma Gabriel  
Patrick Igoe  
Joseph Sheridan

#### **CONCERT BAND:**

Tova Brickley

Respectfully Submitted,

---

Kevin Brogioli, Principal

**Principal's Annual Report  
Old Rochester Regional High School  
2016**

**Michael Devoll – Principal  
J. Michael Parker – Assistant Principal**

**Our Towns**

Our school serves three southeastern Massachusetts towns: Mattapoisett; Marion; and, Rochester. All three towns have maintained their individual charm through careful and thoughtful community planning. Marion and Mattapoisett are quaint, close-knit seaside communities. Rochester has a more rural landscape surrounded by scenic farms, cranberry bogs, pine forests and fresh water ponds. Residents are proud of their school systems and have been very supportive in passing legislation to insure its continued success.

**Our School**

The 2015-2016 school year featured a student body made up of 777 students, including 62 students attending Old Rochester Regional High School through the School Choice Program. Our student body resides in the communities of the Tri-Town: Marion, Mattapoisett, and Rochester. Through the School Choice Program the school was able to welcome residents of the following communities to our school: Acushnet, Fairhaven, Lakeville, Middleboro, New Bedford, Wareham, and Westport. In 2016, ORRHS graduated a class of 183 seniors, which represented a graduation rate of 98%. ORRHS school offers a comprehensive curriculum with a wide selection of Honors and Advanced Placement courses. In 2015, approximately 93% of ORR graduates continued their education at two or four-year colleges.

**Our Faculty**

Of the 61 faculty members at ORRHS, 78% have their Masters degree and 3% have their Doctoral degree.

This past year, Old Rochester has been named to the College Board's 6th Annual AP® District Honor Roll. The Honor Roll recognizes 547 school districts in the U.S. and Canada that have increased access to AP course work while maintaining or increasing the percentage of students earning scores of 3 or higher on AP Exams.

The DREAMFAR High School Marathon Club has had a successful first year on the Southcoast. Six students from ORR, one student from Dartmouth High School, and one student from City on a Hill New Bedford completed the Providence Marathon in May. The program also included over forty volunteers and mentors from both the schools and the greater community. The program challenges students to reach their full potential--physically, socially, emotionally, and academically--through a mentor-supported marathon training program. Dreamfar mentors run alongside youth and help them train for and complete the Cox Providence Marathon by providing companionship, motivation, and support. This program is entirely funded and run through community support and donations. DREAMFAR Southcoast has already expanded in 2016-2017 due to the success of our first year students. We are looking forward to another successful year for our club.

The School to Career program provides a student with a unique educational experience that joins a structured in-school academic program with a work internship. During the 2016-2017 school year, eighteen seniors participated in the School to Career program at the high school. Placements included Tobey Hospital, Fun 107 Radio Station, Sippican Elementary School, Child Care Center, ORRCTV, Southeastern Massachusetts Education Collaborative, Village Veterinary Hospital, Source North America, Advanced Dental Care, Chase Canopy, Kool Kone, as well as various positions located within the high school.

The English Department ran a new half-year Genealogy elective. As part of their research, students visited the New Bedford Library and New Bedford City Hall where they discovered family documents and learned research techniques. Some of our thirty plus students also visited the Providence Library, where they took part in a taping of Genealogy Roadshow, a national television program (PBS). The English Department Theater Elective performed its 25th show in May. The production, *Scenes from Shakespeare II*, included our largest cast to date with over forty students! Freshman, Sophomores, Juniors and Seniors worked together on every aspect of the production for a successful performance.

During 2015-2016 Bulldog TV has covered ORRHS Basketball games, music concerts, Homecoming Week and ORR Superlative Gala

The Old Rochester Regional High School Debate Team had a strong year in 2015-16 within the Eastern Massachusetts Debate League (EMDL). This season the debaters argued the following resolution: Resolved: The United States federal government should establish a policy that substantially curtails domestic surveillance. Varsity debaters Ben Bradford graduated, ending a strong four years in the league. Junior debaters: Joshua Lerman, Jacob Spevack, Colleen Garcia Justin Shay and James Goulart all had strong showings within the league.

In 2016-17 the Debate Team is arguing the following resolution, Resolved: The United States federal government should establish a policy that substantially increases its diplomatic and/or economic engagement with the People's Republic of China.

Across-the-board, the Old Rochester Regional High School proved to be first-class and continued the school's history of excellence. The school also wishes fond farewell to staff members Caitlin Barker, Toby Kyle, Olga Surpless and Barbara Tully. Joining our staff during the 2016-2017 school year were Elizabeth Andrews, Alison Barker, Kate Butler, Diana Carreira, Janet Gauvin, and Rebecca Okolita.

Respectfully submitted,

Michael Devoll  
Principal

J. Michael Parker  
Assistant Principal

## **Report of the MARION SCHOOL COMMITTEE**

The 2016 year has brought many changes and exciting initiatives and advances forward at Sippican Elementary school. The start of the new school year in the fall of 2016 brought with it over forty new students to Sippican (dispersed throughout the grade levels), which did not include our entering kindergarten students. With the new students and families who have moved into Marion/enrolled in the Sippican school over the past two years, the school has seen a rise in the level of social, emotional and behavioral needs of its students. In order to respond to this a number of steps have been taken by administration and staff in order to help children to be successful throughout their school day. We have full implementation of Responsive Classroom (with training for all staff at all the elementary schools) across grade levels. The CASEL model was fully adopted by the district in 2016 as a guideline for social emotional reporting. The school district has also increased the number of CPI trainers from one to four (at each district) to train staff members in Non-violent Crisis Intervention.

In order to continue to support the staff in meeting the social/emotional learning and behavioral success of the students, the administration will be bringing in Jessica Minahan (renowned behaviorist and author) to conduct professional development/training for the staff in January, 2017. The school committee also voted this year to hire a full time Board Certified Behavior Analyst (BCBA) to be on staff at Sippican, which administration is currently interviewing for. On a day to day basis the administration and staff continue to make necessary changes/respond to the needs of the students in classrooms, lunch, recess etc. and to work with families to increase student success throughout their school day.

Community outreach has been a big focus of Sippican school as well as the district at large this year. One community event hosted by the district was a screening of the "Race to Nowhere" movie which was well attended by families throughout the district. The entire administrative Team also worked to host the movie "Screenagers" for all families (grades 3-12) at the High School. This event was very well attended by students and families from throughout the Tri-town. The administration is committed to continuing this work around healthy, responsible use of technology and digital citizenship and supporting families in this area. For the start of 2017 it is scheduled that all of our older elementary school students will watch this movie together to be hosted at ORR.

At Sippican what we are most proud of, however is the Parent "Anchor" program which was established, organized and run by two Sippican teachers Lisa Dix and Lisa Horan. This community outreach program is "designed to secure a positive and open relationship between Sippican School and its' families through a series of conversations and activities." The meetings have been held at different locations throughout Marion, snacks and raffles as well as babysitting have been provided to facilitate participation. The topics thus in 2016 (meetings for which have been very well attended) have been: attendance/homework, introduction to the new report card and tips on how to read with your child. Topics for Anchor moving forward into 2017 will include: a parent training by Jessica Minahan, understanding school terms/acronyms, mindfulness and the power of a "growth mindset." This talk surrounding mindset will builds off of work that was done with the staff around "fixed" versus "growth" mindsets last year.

From a curriculum standpoint, our Everyday math materials are fully up to date with current curriculum standards. Across the district, the ELA curriculum has been reviewed and updated using vertical teaming and we have seen full adoption of the library/media curriculum. Social studies vertical teaming began in the summer of 2016 across the district and will continue. Moving ahead into 2017 more work will be done by the Sippican staff and their colleagues in our two sister schools around what our needs will be for full implementation of the new science and technology STEM standards. A great deal of work through vertical teaming was done in 2016 (which was spearheaded and overseen by Dr. Elise Frangos) to create a new standards based report card. Work is being done to insure that the staff will be able to roll out this new report card for the start of the 2017 school year, and that information be shared with the families to facilitate this transition in how we communicate with families around school achievement. In the Spring of 2016 the Sippican students 3-6 took the PARCC test and did quite well across the grade levels. Sippican continues to be a Level One school. The school is looking ahead to make sure the students are as prepared as they can be for the new MCAS 2.0 which will they will be taking in the spring of 2017.

The second half of 2016 the budget sub-committee has been working diligently with administration and town representatives to look ahead to meeting the budgetary needs of our school for 2017. We made a staffing change this year by hiring a “supervisor of building and grounds” to oversee the day to day care of Sippican School, to respond quickly to any repairs needed and to help us to look ahead to systematically replace aging parts and systems. Mr. Craig Gendreau has been a great addition to the Team and played a vital role in responding to multiple unexpected univent failures and the damage they temporarily caused to the building. The committee will continue to work with the facilities Team, administration and the when needed the town to help maintain the beautiful Sippican School facility attended by Marion’s children every day. Over the past year continued work has been done to strengthen the technology and infrastructure at Sippican School. We are committed to look at ways to maintain and sustain this technology moving forward.

The committee, administration and staff continue to be very grateful to the town, families and community who have steadfastly supported the Sippican school and the high quality education provided to its students.

Respectfully Submitted,

Christine Marcolini  
Marion School Committee Chairperson

**UPPER CAPE COD REGIONAL TECHNICAL SCHOOL**  
**ANNUAL REPORT 2016**

To the citizens of Bourne, Falmouth, Marion, Sandwich, and Wareham:

**ELECTED SCHOOL COMMITTEE REPRESENTATIVES:**

TOWN OF BOURNE	MARY CROOK JULIE WING
TOWN OF FALMOUTH	THOMAS CORRIVEAU, VICE-CHAIR MARK MANCINI
TOWN OF MARION	ELIZABETH MAGAURAN
TOWN OF SANDWICH	MICHAEL DEGAN, TREASURER STEVEN CHALKE
TOWN OF WAREHAM	DOMINIC CAMMARANO ROBERT FICHTENMAYER, CHAIR
SUPERINTENDENT	ROBERT A. DUTCH

Upper Cape Cod Regional Technical School foundation enrollment, as of October 1, 2015 consisted of two hundred four (204) students from Bourne, one hundred thirty-three (133) from Falmouth, eighteen (18) from Marion, one hundred thirty-three (133) from Sandwich, and two hundred fifty-three (253) from Wareham. The school also has a self-sufficient adult Licensed Practical Nursing program with both full-time and part-time day and evening programs available to students. For several years now, the school remains enrolled beyond capacity with a large waiting list. Due to the success of quality career and technical education garnering praise on regional, statewide, and national, fronts, the interest in attending Upper Cape Tech is increasing while the number of school age children is decreasing. Due to our limited number of seats the number of applicants who cannot be afforded the opportunity of a career and technical education continues to be significant.

School spirit has increased dramatically as enrollment has increased. Participation in athletics and extra-curricular activities is at an all time high. The school year concluded with Upper Cape Tech students experiencing great success in several trade competitions. Eight students competed at the national level of the SkillsUSA competition in Louisville, Kentucky resulting in one gold and one bronze medal for Upper Cape Tech.

Upper Cape Tech continues to expand its offerings for adults and other out of school individuals. Adult tuition students, specialized afternoon and evening occupational programs, and summer programs are additional to the 741-pupil school day enrollment. Upper Cape Tech continues to offer valuable cost-effective services to its communities via its day and evening programs. During this fiscal year 1,760 adult students were enrolled in evening courses.

As the fiscal year concluded, several building projects were underway. In an effort to increase classroom availability for the increasing enrollment as well as to alleviate overcrowded conditions, construction was completed on an outside building for the Information Technology program. The relocation of this technical program outside of the main building allowed for the creation of two additional academic classrooms. Other campus improvements included the creation of locker rooms for the Culinary Arts students and the re-location of the Guidance offices to an area within the building which will be more accessible to parents.

Upper Cape Tech continues to pursue grant funding wherever possible. The school was the recipient of a \$420,000 grant from the Commonwealth which was used to purchase state-of-the-art landscape construction equipment for the Horticulture program.

Upper Cape Tech staff and students are able to undertake much of the maintenance of the building, along with monitoring the facility's complex ventilation and heating, saving thousands of dollars in outside labor costs. Additionally, construction has begun on the installation of solar canopies over the staff and student parking lot. The project, which is at no cost to the school, is expected to result in a saving of twenty per cent in energy costs. The district should also begin to see the savings in energy costs as a result of net metering credits through a power purchase agreement with Future Generation Wind.

The Regional School District Committee extends its appreciation to the many advisory boards that assist us in developing and maintaining educational programs, various town and school officials who support our efforts, and school staff members. It is the combined effort of all of these individuals that has enabled the success of the school and its graduates for the benefit of our communities. We look forward to your continued support.

Respectfully submitted,

Robert A. Dutch, Ed.D.  
Superintendent

**TOWN OF MARION**  
**Annual and Special Town Meeting Minutes**  
**May 9, 2016**

The Annual Town Meeting was called to order by Moderator Patricia McArdle at 6:48 p.m. on May 9, 2016 at the Sippican School Auditorium. Invocation was by Rev. Dr. Sheila Rubdi of the First Congregational Church. Tellers sworn were Patricia DeCosta and Helen Westergard. The Moderator noted the presence of a quorum and reported that the Warrant for the Meeting had been posted and returned in accordance with the law.

Alan Minard, of the Finance Committee, offers opening remarks of the Finance Committee on the excellent fiscal health of Marion.

**Article 1.** Motion was made and seconded that the Town compensate its elected Town officials, effective July 1, 2016, as follows:

	<b>EFFECTIVE JULY 1, 2016</b>		
	<b>FY16</b>	<b>FY17</b>	
	<b><u>Approp</u></b>	<b><u>Recommend</u></b>	<b><u>% chg</u></b>
Board of Selectmen, each member, per annum	\$ 4,902	\$ 4,902	0.0%
Board of Assessors, each member, per annum	\$ 4,839	\$ 4,839	0.0%
Board of Health, each member, per annum	\$ 1,866	\$ 1,866	0.0%
Town Clerk, per annum	\$19,493	\$19,493	0.0%
Moderator, for Annual Meeting	\$ 245	\$ 245	0.0%
per Special Town Meeting	\$ 81	\$ 81	0.0%

*Motion passed at 6:57 PM*

**Article 2.** Motion was made and seconded that the Town will raise and appropriate and/or transfer from available funds in the treasury in order to pay interest and maturing debt and for charges, expenses and outlays of the several Town departments and Reserve Fund for the ensuing year.

*Motion passed at 9:43 PM*

**Article 25.** Motion was made and seconded that the Town act upon the recommendation of the Community Preservation Committee to appropriate \$20,000 from Historic Preservation reserves and \$91,950 from undesignated fund balance for a total of \$111,950 for the purpose of replacing and restoring the historic windows at the Pythagorean Hall.

*Motion passes at 9:49 PM*

**Article 26.** Motion was made and seconded that the Town appropriate \$20,000 from Open Space reserves and \$45,000 from undesignated fund balance, for a total not to exceed \$65,000 of Community Preservation Act funds, as recommended by the Community Preservation Committee, for the purposes of open space and public water resource protection, by purchasing an interest in land within the Town of Mattapoisett, shown on portions of the Mattapoisett Assessors Map 25, Lot 21B and Map 24 Lots 16 and 17 and consisting of 114 acres, more or less, for the primary purpose, in conjunction with others, of permanently preserving said 114 acres for the protection of the Town of Marion's public drinking water supply, provided, however, that should the Mattapoisett Water and Sewer Department not acquire the entirety of said land or fail to identify the Town of Marion as a grantee of a conservation restriction as defined by G.L. c.184, ss.31-32 in said land, any approval of this Article as authorized by Town Meeting shall null and void, and further, should the Mattapoisett Water and Sewer Department acquire said 114 acres and thereafter identify the Town of Marion as a

grantee of a conservation restriction running against said land, to authorize the Board of Selectmen to negotiate the terms of said conservation restriction in the best interests of the Town of Marion and thereafter execute the same.

*Motion passed at 9:55 PM*

**Article 27.** Motion was made and seconded that the Town, pursuant to the provisions of MGL Chapter 44, §53E ½, establish and authorize for FY17 a revolving fund for the following purposes: Recreation Revolving Fund, for the purpose of accepting receipts from fees collected from participants in the various recreation programs. Said funds to be received by the Treasurer and credited to the said revolving fund and said funds to be dispersed by the Town Accountant to offset the costs of these programs, total expense not to exceed \$150,000.

*Motion passed at 9:58 PM*

**Article 28.** Motion was made and seconded that the Town transfer the sum of \$2,000 from the Chester A. Vose Fund, said monies to be used by the Assessors for the reduction of taxes.

*Motion passed at 9:58 PM*

**Article 29.** Motion was made and seconded that the Town authorize the Board of Selectmen to institute, defend, or compromise suits of law.

*Motion passed at 9:59 PM*

**Article 30.** Motion was made and seconded that the Town authorize the Board of Selectmen to sell any article belonging to the Town, provided the Town has no further use for the same.

*Motion passed at 10:00 PM*

**Article 31.** Motion was made and seconded that the Town authorize the Board of Selectmen to sell or transfer any taxation possession property held by the Town, pursuant to General Laws, Chapter 60, Section 77, after the Board of Selectmen has notified the Planning Board, Open Space Acquisition Commission, Conservation Commission, and the Affordable Housing Trust of the availability of such land and said agencies may report in writing within twenty (20) days to the Board of Selectmen any recommendations that they may have with regard to the disposition of said land.

*Motion passed at 10:01 PM*

**Article 32.** Motion was made and seconded that the Town consider the reports of the Town officers and committees and act thereon.

*Motion carried at 10:01 PM*

**Article 33.** Motion was made and seconded that the Town choose by ballot all necessary officers for the ensuing year, viz; one Selectman for three years; one Assessor for three years; one Moderator for one year; one Board of Health member for three years; two Planning Board members for three years; one Marion School Committee member for three years; two Open Space Acquisition Commission members for three years; one Old Rochester Regional School Committee member for three years; and to act on the following ballot question, commencing on Friday, the 13th of May, 2016, at 8:00 o'clock in the morning in the Veterans of Foreign Wars Hall, 465 Mill Street (Route 6), in said Marion.

Motion was made and seconded to adjourn the Annual Town Meeting until 8:00AM, May 13, 2016, at which time we shall elect all necessary officers for the ensuing year.

Question 1. Shall the Town of Marion be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for the Town of Marion's share of the bond authorization approved by the Old Rochester Regional School District School Committee on March 21, 2016, for the purpose of financing the cost of the Capital Improvement Plan at the Regional High School and Junior High School, including the financing of all costs incidental and related thereto?  
YES\_\_\_\_ NO\_\_\_\_

Town Meeting adjourned at 10:01 PM.

Respectfully submitted by:

Ray Pickles

Town Clerk

**TOWN OF MARION  
SPECIAL TOWN MEETING MINUTES  
October 24, 2016**

The Special Town Meeting was called to order by Moderator Jeffrey Dickerson at 6:50PM on October 24, 2016 at Sippican School Auditorium. The Moderator noted the presence of a quorum and reported that the Warrant for the Meeting had been posted and returned in accordance with the law.

**Article S1:** Motion was made and seconded to appropriate or transfer from available funds in the Treasury (Free Cash) the sum of \$20,000 to be expended under the direction of the Marion Planning Board to engage consultant services to assist in the development of a Town Master plan.

*Motion carried by voice vote 6:52PM*

**Article S2:** Motion was made and seconded to raise and appropriate or transfer from available funds in the Treasury (Free Cash) the sum of \$475,976 to be expended under the direction of the Board of Selectmen, in consultation with the Marion Town House Building Committee, to fully complete the construction design of a renovated Marion Town House, including bidding.

*Motion carried by voice vote 6:53PM*

**Article S3:** Motion was made and seconded to authorize the Board of Selectmen, in consultation with the Board of Assessors, to negotiate a Payment in Lieu of Taxes (PILOT) Agreement between the Town of Marion and Clean Energy Collective of Worcester, MA for the solar array located off Tucker Lane in accordance with the provisions of Massachusetts General Laws, Chapter 59, Section 38H (b).

*Motion carried by voice vote 7:10PM*

**Article S4:** Motion was made and seconded to accept as a gift of land from the Benjamin Cushing Veterans of Foreign Wars Post 2425 for general municipal purposes and to be placed under the care and custody of the Board of Selectmen, in fee simple, that land and buildings located at 465 Mill Street and identified on the Town's Assessor's Map 24, Lot 17 and to authorize the Board of Selectmen to take any and all steps reasonably necessary to acquire this land and buildings in the best interests of the Town of Marion.

*Motion carried by voice vote 7:39PM*

**Article S5:** Motion was made and seconded to authorize the Board of Selectmen to seek authority from the General Court permitting the Town of Marion, notwithstanding any general or special law to the contrary:

(1.) to transfer fifty percent (50%) of the Town's receipts from the power purchase agreement with Future Generation Wind or its successors and assigns, without further appropriation or action from Marion Town Meeting, to the Town of Marion OPEB Trust Fund established by Article 14 of Annual Town Meeting 2010 and further

(2.) to transfer fifty percent (50%) of the Town's receipts from the power purchase agreement with Future Generation Wind or its successors and assigns, subject to appropriation from Marion Town Meeting, to an Energy Efficiency Account to support further efforts to conserve energy, reduce reliance on fossil fuels and to increase the Town's resilience to the impacts of climate change.

*Finance Committee moved to amend percentage to  
60% OPEB, 40% Energy Efficiency Account.*

*Motion defeated 8:14PM*

*Main Motion defeated by voice vote 8:15PM*

Motion was made and seconded to adjourn Special Town Meeting at 8:16PM.

A true copy, attest:

Ray Pickles, Town Clerk

## **Report of the TOWN TREASURER/COLLECTOR**

### ***To the residents of the Town of Marion:***

Despite facing challenges at the domestic level along with a rapidly transforming global landscape, the U.S. economy is still the largest and most important in the world. The U.S. economy represents about 20% of total global output, and is still larger than that of China. The U.S. economy is dominated by services-oriented companies in areas such as technology, financial services, healthcare and retail. Large U.S. corporations also play a major role on the global stage, with more than a fifth of companies on the Fortune Global 500 coming from the United States.

Even though the services sector is the main engine of the economy, the U.S. also has an important manufacturing base, which represents roughly 15%. The U.S. is the second largest manufacturer in the world and a leader in higher-value industries such as automobiles, aerospace, machinery, telecommunications and chemicals. Meanwhile, agriculture represents less than 2% of output.

The U.S. economy maintains its powerhouse status through a combination of characteristics. The country has access to abundant natural resources and a sophisticated physical infrastructure. It also has a large, well-educated and productive workforce. Moreover, the physical and human capital is fully leveraged in a free-market and business-oriented environment. The government and the people of the United States both contribute to this unique economic environment. The government provides political stability, a functional legal system, and a regulatory structure that allow the economy to flourish. Economic growth in the United States is constantly being driven forward by ongoing innovation, research and development as well as capital investment.

The U.S. economy is currently emerging from a period of considerable turmoil. A mix of factors, including low interest rates, widespread mortgage lending, excessive risk taking in the financial sector, and high consumer indebtedness, led to a major recession that began in 2008. The housing market and several major banks collapsed and the U.S. economy proceeded to contract until the third quarter of 2009 in what was the deepest and longest downturn since the Great Depression. The U.S. government intervened by using \$700 billion to purchase troubled mortgage-related assets and propping up large corporations in order to stabilize the financial system. It also introduced a stimulus package worth \$831 billion to be spent across the following 10 years to boost the economy.

The economy has been recovering slowly yet unevenly since the recession in 2009. The economy has received further support through diverse monetary policies. This includes not only holding interest rates at the lower bound, but also the unconventional practice of the government buying large amounts of financial assets to increase money supply and hold down long term interest rates—a practice known as “quantitative easing”.

While the labor market has recovered significantly and employment has returned to pre-crisis levels, there is still widespread debate regarding the health of the U.S. economy. In addition, even though the worst effects of the recession are now fading, the economy still faces a variety of significant challenges going forward. A deteriorating infrastructure, wage stagnation, rising income inequality, elevated pension and medical costs, as well as large current account and government budget deficits, are all issues facing the US economy in the years ahead.

The office of Treasurer & the Collector of Taxes is responsible for the proper collecting, investing, safe guarding and managing of all funds and receipts belonging to the Town of Marion and providing quality customer service to all Town residents in the performance of these duties. The office is responsible for millions of tax payer dollars under the rules and regulations of municipal finance law through the Commonwealth of Massachusetts.

**The Town of Marion currently maintains a Standard & Poor's bond rating of AAA, as a result of its last rating in April, 2014.** The Town has continued to maintain a strong financial position with healthy reserve levels and conservative management practices. This rating is significant for Marion in that it translates into substantial interest savings for future borrowings. This, in turn, means that future capital projects will cost Marion taxpayers and ratepayers less.

#### Debt Service Synopsis

<i>Project</i>	<i>Amount</i>	<i>FY Debt</i>
	<i>Borrowed</i>	<i>Expires</i>

***On the revenue side:***

The Town of Marion throughout this difficult economic time continues to maintain a respectable collection rate of 99.3% across its receivable base. The Town encourages payments of real estate and personal property taxes, which can be made on-line by going to the Town's website – [www.marionma.gov](http://www.marionma.gov) and clicking on the online payments button. This service allows taxpayers the convenience of making payments to their real estate and/or personal property tax bills via their personal computer.

It is my intention to continue to improve the services to the citizens of Marion. I will continue to work with those who are having difficulty paying their taxes and other town charges. As I enter my tenth year of service with the Town, I wish to thank the citizens of Marion for their support. It is my pleasure to continue to serve the general public and I look forward to your continued support in the future.

Respectfully submitted,

Gary J. Carreiro  
Treasurer/Tax Collector

## **Report of the TOWN CLERK**

To the Honorable Selectmen:

At the close of the census, it was announced that the figures for the 2016 census were available. Total year round population as of April 2016 was 4753. The year round population does not include “inactive” voters. The breakdown is as follows:

<i>Under age 5 years</i>	<i>100</i>
<i>Age 5 – 17 years</i>	<i>695</i>
<i>Age 18 – 59 years</i>	<i>2604</i>
<i>Age 60 years and over</i>	<i>1711</i>
<i>Unknown DOB</i>	<i>0</i>
<i>Corrupt Record</i>	<i>1</i>

The following are population figures reported over the last five years.

<i>Year</i>	<i>Population</i>
<i>2011</i>	<i>5261</i>
<i>2012</i>	<i>5367</i>
<i>2013</i>	<i>5286</i>
<i>2014</i>	<i>5236</i>
<i>2015</i>	<i>5116</i>
<i>2016</i>	<i>4753</i>

### *Voter Registration*
